Bernard Mulcahy
Jean Salvador
Patricia Barrow

INDEPENDENTS

Carol Townsend
Ellen M. Patrolia

Charles A. Marks
Town Clerk of Cohasset

Report of the Board of Selectmen

To the Citizens of Cohasset:

The year 1981 saw significant changes in the Office of the Board of Selectmen. For the first time in its long and distinguished history, the position of Executive Secretary to the board was created by the town meeting to provide full-time managerial coverage of those functions under the Selectmen's jurisdiction. Long-term Board Chairman, Arthur L. Clark, chose not to seek re-election last April, and was subsequently appointed as the Town's first Executive Secretary early in July, following an extensive selection process.

His replacement, Mary Jane E. McArthur, joins the board with considerable experience in town affairs and a genuine concern for its well-being. Having served most recently on the Advisory Committee and on many other boards and committees, she undoubtedly will greatly enhance the deliberations of the board in the coming years.

Implementation of so-called "Proposition 2½" continues as a major concern of the board. All town departments were required to reduce their budgets, some as much as fifteen percent, in order to comply with its provisions. In-so-far as possible, personnel costs were reduced through attrition or by not filling existing vacancies. The result was a decrease of four firefighter positions, one police officer, two public works employees, and one Wire Department position.

Several other cost-saving measures have been taken. Outlying fire stations in the Beechwood and West Corner sections were closed and all fire sevices consolidated at Elm Street headquarters. The number of street lights have been reduced by about one-third to offset increasing energy costs. An on-going program for making town buildings more energy efficient with new heating systems, added insulation and the like, continued on the Town Hall, Bates Building and the Government Island apartment building.

In the interest of generating income to more equitably offset the cost of administering services; fees and/or fines were increased for parking violations, harbor services and various licenses. In addition, a combined fee was instituted for use of the landfill and access to Sandy Beach.

Newly enacted legislation allows municipalities to collect court mandated parking fines but permits them to retain the monies. While an added burden is placed upon the Selectmen's, Collector's and Accountant's Offices, sufficient revenues should be generated to more than offset any inconveniences.

The annual town meeting voted to exclude future fire chiefs from the Civil Service System as in the case of our police chief. Regretfully, Chief Piepenbrink has served notice of his retirement early next year. In accordance with the town meeting vote, a Fire Chief Selection Committee has been appointed and will soon conduct a search for a replacement.

Following years of negotiations, an agreement has finally been reached for the acquisition of Penn Central's interest in their railroad right-of-way from the Scituate line to a point just short of the Hingham line. The necessary monies were appropriated at a special town meeting in December. Property titles will be researched and the acquisition should be finalized early next year. Thereby, this key piece of property will be retained for future town planning and development.

All projects under the jurisdiction of the Selectmen that were authorized by the town meeting have been substantially completed. The steel understructure of Cunningham Bridge was thoroughly sandblasted and painted. The street grade at the entrance to Margin Court was reduced to improve safety for vehicles entering Elm Street.

The board extends a note of appreciation to all officials, boards, committees, employees and citizens for their support and cooperation over the past year.

Respectfully submitted,
Henry W. Ainslie, Jr., *Chairman*
Rocco F. Laugelle
Mary Jane E. McArthur

Town Clerk's Report of the Annual Town Meeting

April 4, 1981

At the Annual Business Meeting held at the Cohasset High School Auditorium at 1:00 P.M., the following articles were contained in the Warrant and acted upon as recorded.

Checkers previously appointed by the Selectmen for entrance and sworn in by Town Clerk Charles A. Marks at 12:45 P.M. were Margaret C. Hernan, Mary N. Grassie, Mary M. Brennock and Constance Jones.

Tellers appointed by the Moderator David E. Place reported to work at 1:00 p.m. were Bernard Mulcahy, Robert Pape, Nancy Sladen and Fred Howe.

The number of voters present as checked on the incoming voting lists was 350.

The meeting was called to order by the Moderator at 1:30 p.m. and the Town Clerk proceeded to read the call of the meeting.

Rev. John Kohane gave the invocation.

Members of the Cohasset Boy Scout Troop lead the pledge of allegiance to the flag.

Article 1. To choose all Town Officers not required to be elected by ballot.
MOVED. That the appropriate appointing authority as set forth by the General Laws appoint all Town Officers not required to be elected by ballot.
Article 1 voted unanimously by a voice vote.

Article 2. To act upon the reports of the various Town Officers as printed in the Annual Town Report for 1980.
MOVED. That the report of the various Town Officers as printed in the Annual Town Report for 1980 be accepted.
Article 2 voted unanimously by a voice vote.

Article 3. To hear the report of any Committee heretofore chosen and act thereon.

Police Chief Selection Committee

The Committee's work is completed and the committee be discharged with a vote of thanks.
Voted unanimously by a voice vote.
MOVED. That the report of any committee heretofore chosen be heard and that the reports of Town Committees be heard, accepted, and that the Committees continue in office.
Article 3 voted unanimously by a voice vote.

Article 4. To see if the Town will vote to fix the salaries and compensation of Elected Officers, and to see what sums the Town will vote to raise and appropriate, from available funds, or otherwise, for the payment of said salaries and compensation, expenses, equipment and outlays, capital and otherwise, of the several Town Departments, for the ensuing fiscal year, or act on anything relating thereto.
MOVED. That this article be considered, covered and acted upon in one vote, that the sum of $6,931,894.00 is appropriated, the sum of $48,972.00 for salaries of elected Town Officers as follows: Town Clerk, $4,599.00; Clerk, Board of Registrars, $329.00; Highway Surveyor, $17,200.00; Moderator, $125.00; Treasurer-Collector, $19,919.00; Selectmen, $3,100.00; Assessors, $3,700.00; for the ensuing fiscal year and that

$6,882,922.00 for Personal Services, Expenses, Capital Outlays, Interest, Maturing Debt and other charges for the various departments for the ensuing fiscal year said being recommended for all purposes, itemized per accounts numbered 1-00 thru 49-00 inclusive, copy attached hereto, and to meet said appropriation the following transfers are authorized from: Income from Trust Funds—Parks: Wheelwright Park, $1,581.00; Wadleigh Park, $300.00; Robert Charles Billings, $64.00; Billings-Pratt, $55.00; Dog Licenses from County, $990.75; Income from Trust Fund—Library, $2,800.00; State Aid for Libraries, $3,892.50; Income from Trust Funds—Cemeteries: Woodside, $5,000.00; Beechwood, $400.00; Federal Revenue Sharing Funds received or to be received, $89,000.00; the balance as follows: from Water Revenue, $521,652.00 and taxation the sum of $6,306,158.75.

Amendment to Article 4

MOVED. That the motion to Article 4 be amended by transferring $70,000.00 under Fire Dept.: Personal Services Account No. 13-00 to a new account numbered Fire Dept; Personal Services No. 13-06 designated as Beechwood Fire Station so that $70,000.00 be deducted from the figure $393,353.00 under Fire Dept., Personal Services Account No. 13-00 and that the said figure $393,353.00 under Fire Dept., Personal Services Account No. 13-00 be striken and in place thereof shall be inserted $323,353.00; that, after Account No. 13-05 there be inserted a new Account No. 13-06 Fire Dept., personal services, Beechwood Station in the amount of $70,000.00.

Amendment defeated by a voice vote.

Main motion under Article 4 voted unanimously by a voice vote.

APPENDIX A

Recommendations on School and Water Budgets will be made from floor at Town Meeting.

RESOLUTION BY DONNA MAGEE

RESOLVED: That a Search Committee be appointed to assist in the selection of a person to fill the position of Executive Secretary to the board of Selectmen. The Search Committee shall consist of five members, appointed by the Selectmen, the Chairman of the Advisory Committee, and the Moderator. The Search Committee shall advertise the position of Executive Secretary locally, in a newspaper with statewide circulation, and elsewhere as they consider necessary. The Committee shall examine applications and interview applicants as they deem appropriate. The Committee shall then submit the names of three (3) most highly qualified candidates to the Board of Selectmen, from which the Board shall select the person to fill the position of Executive Secretary.
Resolution voted by a voice vote.

RESOLUTION BY MARIA A. PLANTE

BE IT RESOLVED: To see if the citizens assembled at the Annual Town Meeting held on Saturday, April 4, 1981—in the Cohasset High School Auditorium, Cohasset, Massachusetts (County of Norfolk)—would act favorably upon having a study by Harvard University's Office of Community Assistance relative to the possible economic—social—environmental—legal—and demographic effects of a Gambling Casino in this area. Research to be conducted by the staff from Harvard University's School of Economics—School of Social Science—Environment—and Business and Law Schools.

Upon community approval of this Resolution, Harvard University will seek third party funds, as this is to be an unbiased and unprejudiced report with Harvard University taking no stand on this issue.
Resolution voted by a voice vote.

Article 5. (Inserted by the Board of Selectmen at the request of the Personnel Committee, Millard L. Drake, Chairman, and others.)

To hear and act upon the report and recommendations of the Personnel Committee, and to see if the Town will vote to amend its Personnel Classification By-Law Schedule by adopting or amending and heretofore adopted and to raise and appropriate a sum of money necessary to pay said increases in compensation according to any amendments to said Personnel Classification By-Law Schedule, for the ensuing fiscal year or act on anything relating thereto.

Article 6 voted unanimously by a voice vote.

Article 7. To see if the Town will raise and/or appropriate the sum of $100,000. for the purpose of a Reserve Fund, and to meet said appropriation $33,277.87 be transferred from Overlay Surplus and the balance by taxation, or act on anything relating thereto.
MOVED. That the Town raise and appropriate the sum of $100,000.00 for the purpose of a Reserve Fund and to meet said appropriation, $33,277.87 be transferred from Reserve Fund Overlay Surplus and that $66,722.13 be raised by taxation.
Article 7 voted unanimously by a voice vote.

Article 8. To see if the Town will assume liability in the manner provided in Section 29 of Chapter 91 of the General Laws, as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvements, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters and foreshores and shores along a public beach including Merrimac and Connecticut Rivers, in accordance with Section II of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth or act on anything relating thereto.
MOVED. That the Town assume liability in the manner provided in Section 29 of Chapter 91 of the General Laws, as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvements, development, maintenance and

protection of tidal and non-tidal rivers and streams, harbors, tidewaters and foreshores and shores along a public beach including Merrimac and Connecticut Rivers, in accordance with Section II of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefore to the Commonwealth.
Article 8 voted unanimously by a voice vote.

Article 9. To see if the Town will raise and appropriate or transfer from available funds the sum of $18,121.00 for the use of the South Shore Regional School District, or act on anything relating thereto.
MOVED. That the sum of $18,121.00 be and hereby is raised by taxation and appropriated for the use of the South Shore Regional School District for the ensuing fiscal year to pay Cohasset's share of the assessment for the South Shore Regional School District.
Article 9 voted unanimously by a voice vote.

Article 10. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1981, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for any period of less than one year in accordance with General Laws, Chapter 44, Section 17, or act on anything relating thereto.
MOVED: That the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the Financial year beginning July 1, 1981, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for any period of less than one year in accordance with General Laws, Chapter 44, Section 17.
Article 10 voted unanimously by a voice vote.

Article 11. To see if the Town will raise and appropriate the sum of $2,739.00 for the purpose of maintaining during the ensuing year the mosquito control works and improvements of low lands and swamps as estimated and certified by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931, or act on anything relating thereto.
MOVED. That the Town raise and appropriate the sum of $2,739.00 by taxation for the purpose of maintaining during the ensuing year the mosquito control works and improvements of low lands and swamps as estimated and certified by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.
Article 11 voted by a voice vote.

Article 12. To see if the Town, acting upon the jurisdiction and provisions of Chapter 242 of the General Laws, will join with other Towns in a mosquito control project and will raise and appropriate a sum of money for the purpose of paying Cohasset's share therefor, the same to be paid to the Massachusetts Reclamation Board, or act on anything relating thereto.
MOVED. That this article be indefinitely postponed.
Article 12 voted unanimously by a voice vote.

Article 13. To see if the Town will raise and appropriate the sum of $1,230.00 to be used for its proportion of the cost for the control of insect, vegetable and animal life in Straits Pond for fiscal 1982, as advised by the State Reclamation Board as provided by Chapter 557 of the Acts of 1955, as amended, or act on anything relative thereto.
MOVED. That the Town raise and appropriate the sum of $1,230.00 by taxation to be used for its proportion of the cost for the control of insect, vegetable and animal life in Straits Pond for fiscal 1982, as advised by the State Reclamation Board as provided by Chapter 557 of the acts of 1955.
Article 13 voted unanimously by a voice vote.

Article 14. To see if the Town will raise and appropriate the sum of $1,600.00 to increase the salary of the Town Clerk to $6,199.00, and to meet said appropriation the sum of $1,600.00 be transferred from Elections and Registration and Town Meeting—Personal Services, Account #10.00, or act on anything relating thereto.
MOVED. That the Town appropriate the sum of $1,600.00 to increase the salary of the Town Clerk to $6,199.00, and to meet said appropriation the sum of $1,600.00 be transferred from Election and Registration and Town Meeting—Personal Services, Account #10.00.
Article 14 voted by a voice vote.

Article 15. To see if the Town will raise and appropriate funds to pay the following unpaid bills of prior fiscal years, or act on anything relating thereto:

Hingham Water Co.	Invoice 4194 dated 9/30/75	$1,160.29
Hingham Water Co.	Invoice 4904 dated 12/30/77	392.17
Hingham Water Co.	Invoice 5024 dated 7/31/78	1,149.09

MOVED. That the Town raise and appropriate the sum of $2,701.55 by taxation to pay the following unpaid bills or prior fiscal years:

Hingham Water Co.	Invoice 4194 dated 9/30/75	$1,160.29
Hingham Water Co.	Invoice 4904 dated 12/30/77	392.17
Hingham Water Co.	Invoice 5024 dated 7/31/78	1,149.09

Article 15 voted unanimously by a voice vote.

Article 16. To see if the Town will raise and appropriate a sum of money to paint the steel works under Cunningham's Bridge, or act on anything relating thereto.
MOVED. That the Town raise and appropriate the sum of $18,000.00 by taxation to paint the steel works under Cunningham's Bridge.
Article 16 voted unanimously by a voice vote.

THE FOLLOWING RESOLUTION
BY HENRY AINSLIE MEMBER OF THE BOARD OF SELECTMEN

Be it resolved that;

Whereas the distinguished Chairman of the Board of Selectmen, Arthur L. Clark, has not sought re-election after untiringly and diligently serving on the Board for fourteen years, the last ten as Chairman;

And whereas he has devoted over four decades to the service of his town serving twelve years on the School Committee, six years on the Advisory Committee, three years as Chairman of the Board of Water Commissioners while at the same time serving on numerous other special committees;

And whereas he was instrumental in initiating many forward reaching projects not the least of which are the Housing for the Elderly and the new reservoir and water treatment plant;

And whereas his concern for and service to individuals of all walks of life has touched countless numbers not only in his official capacity but also as a sensitive caring citizen;

Now, therefore, be it the expression of this meeting here assembled to proclaim the Town's sincere gratitude for his dedicated service with a wish to Arthur and his wife, Eunice, for continued good health and success for the future.
Resolution voted by a unanimous vote.

Article 17. To see if the Town will vote to authorize the Board of Selectmen to accept or enter into a contract for the expenditure of any funds allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town Roads, or act on anything relating thereto.
MOVED. That the Town vote to authorize the Board of Selectmen to accept or enter into a contract for the expenditure of any funds allotted or to be allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town roads.
Article 17 voted unanimously by a voice vote.

Article 18. To see if the Town will raise and appropriate the sum of $35,000.00 for resurfacing with bituminous concrete certain streets in the Town, including any other work relating thereto, or act on anything relating thereto.
MOVED. That the Town raise and appropriate the sum of $35,000.00 by taxation for resurfacing with bituminous concrete certain streets in the Town, including any other work relating thereto.
Article 18 voted unanimously by a voice vote.

Article 19. To see if the Town will raise and appropriate $2,800.00 for the purpose of correcting the drainage problem on Forest Notch, Cohasset by increasing the size of the drainage pipes, performing work incidental thereto, and to secure necessary easements from owners of private property or act on anything relating thereto.
MOVED. That the Board of Selectmen be instructed to secure easements from land owners necessary to correct the drainage problem on Forest Notch and in the event said easements are secured, that $2,800.00 be raised and appropriated by taxation for the purpose of correcting the drainage problem on said Forest Notch by increasing the size of the drainage pipes and performing work incidental thereto.
Article 19 voted unanimously by a voice vote.

Article 20. To see if the Town will raise and appropriate a sum of money for the engineering fees to cap the landfill located on Cedar Street or act on anything relating thereto.
MOVED. That this article be indefinitely postponed.
Article 20 voted unanimously by a voice vote.

Article 21. To see if the Town will raise and appropriate a sum of money for the engineering fees to continue the use of the landfill located on Cedar Street or act on anything relating thereto.
MOVED. That the Town raise and appropriate the sum of $15,000.00 by taxation for

the engineering fees to continue the use of the landfill located on Cedar Street.
Article 21 voted by a voice vote.

RESOLUTION BY DORIS McNULTY

Since reduction of the amount of waste dumped will obviously prolong the life of the landfill while other options for solid waste disposal are considered, the Cohasset L.W.V. wishes to express strong support for an active recycling program in Cohasset.

In an era of ever escalating energy costs and the decreasing availability of land, it becomes much more important that we do not waste either energy or resources, both of which would be saved by an active recycling program.

Bottles, cans and paper represent a considerable portion of the waste dumped, and can be converted to both land and energy saved, and money returned to the Town.

Therefore, the Cohasset League of Women voters urges that the citizens actively support the recycling program at landfill.
Resolution voted unanimously by a voice vote.

Article 22. To see if the Town will raise and appropriate a sum of money to install a ventilating system at the Town Hall, or act on anything relating thereto.
MOVED. That this article be indefinitely postponed.
Article 22 voted unanimously by a voice vote.

Article 23. To see if the Town will raise and appropriate a sum of money for the replacement of the present Town Hall's steam radiation system with a zoned hot water system and for the replacement of the older of two boilers with a hot water system and to connect the newer existing boiler to the system, or to act on anything relating thereto.
MOVED. That the Town raise and appropriate the sum of $34,300.00 by taxation for the replacement of the present Town Hall's steam radiation system with a zoned hot water system and for the replacement of the older of two boilers with a hot water system and to connect the newer existing boiler to the system.
Article 23 voted by a voice vote.

Article 24. To see if the Town will raise and appropriate a sum of money for the installation of a sprinkler system in the Town Hall, or act on anything relating thereto.
MOVED. That this article be indefinitely postponed.
Article 24 voted by a voice vote.

Article 25. (Inserted by the Board of Selectmen at the request of William J. Montuori, Chairman of the Board of Water Commissioners.)

To see if the Town will vote to approve the following schedule of water rates set by the Board of Water Commissioners, or take any other action relative thereto:

TOWN OF COHASSET—WATER DEPARTMENT
Schedule of Water Rates
Effective July 1, 1981
Approved by Board of Water Commissioners January 5, 1981

Article 25 voted by a voice vote.

Article 26. (Inserted by the Board of Selectmen at the request of Patricia G. Facey, Chairman of the Planning Board.)

To see if the Town will vote to amend the zoning by-law by adding the following:

A new Section 10—Residential Cluster Development District hereinafter set forth by striking the present words "Section 10—Regulations Governing Earth Removal" and substituting therefor the words "Section 11—Regulations Governing Earth Removal"; and by striking the present words "Section 11—Administration and Enforcement" and substituting therefor the words "Section 12—Administration and Enforcement"; and by striking the present words "Section 12—Amendment, Validity" and substituting therefor the words "Section 13—Amendment, Validity" or act on anything relating thereto.

Section 10—RESIDENTIAL CLUSTER DEVELOPMENT DISTRICT

10.1 DEFINITIONS

Cluster Development

An option which permits an applicant to build single-family (and multi-family) dwellings with reduced lot area and frontage requirements so as to create a development in which the buildings and accessory uses are clustered together into one or more groups with adjacent common open land.

Homes Association
A corporation or trust owned or to be owned by the owners of lots or residential units within a tract approved for cluster development, which holds the title to open land and which is responsible for the costs and maintenance of said open land and any other facilities to be held in common.

Common Open Space
A parcel or parcels of land or an area of water, or a combination of land and water within the site designated for a Residential Cluster Development, maintained and preserved for open uses, and designed and intended for the use or enjoyment of residents of the Residential Cluster Development. Common Open space may contain such complementary structures and improvements as are necessary and appropriate for the benefit and enjoyment of residents of the Residential Cluster Development, but shall not include streets or parking areas except those incidental to open space uses.

Wetlands
Area characterized by vegetation described in Ch. 131, § 40.

Multi-Family
Attached dwelling units oı buildings designed for or occupied by two or more families.

10.2 PURPOSE (in addition to purposes set out in G.L. Ch. 40A and the local zoning):

10.2.1 The Planning Board may grant a special permit for cluster development in the Residence B and Residence C District(s) upon the following terms and conditions:

a) To encourage the more efficient use of land in harmony with its natural features;

b) To encourage creativity in the design of developments through a carefully controlled process;

c) To encourage a less sprawling form of development, a shorter network of streets and utilities, more economical development of land with less consumption of open space;

d) To permanently preserve natural topography and wooded areas within developed areas and to preserve useable open space and recreation facilities close to homes;

e) To provide an efficient procedure to ensure appropriate high quality design and site planning and to enhance the neighborhoods in which they occur and to the Town as a whole;

f) To promote diverse and energy-efficient housing at a variety of costs.

10.3 PROCEDURES

10.3.1 *Filing of Application*

Each application for a special permit to cluster shall be filed with the Planning Board, with a copy filed forthwith with the town clerk, and shall be accompanied by eight (8) copies of a preliminary plan of the entire tract under consideration, prepared by a professional architect, engineer and landscape architect.

10.3.2 *Contents of Application*

Said application and plan shall be prepared in accordance with requirements for a preliminary subdivision plan in the Rules and Regulations of the Planning Board governing subdivision of land, whether or not the development constitutes a subdivision, and shall include proposed location, bulk and height of all proposed buildings. In addition, the applicant shall provide the following information:

a) The number of dwellings which could be constructed under this bylaw by means of a conventional development plan, considering the whole tract, exclusive of waterbodies and land prohibited from development by legally enforceable restrictions, easements of covenants. (Note: if areas such as wetlands, floodplains or steep slopes are not counted in figuring the number of permissible units, the applicant should be required to exclude those areas in making his calculations.)

b) An analysis of the site, including wetlands, slopes, soil conditions, areas within the 100 year flood, trees over 8 inches diameter and such other natural features as the Planning Board may request.

c) A summary of the environmental concerns relating to the proposed plan.

d) A description of the neighborhood in which the tract lies, including utilities and other public facilities, and the impact of the proposed plan upon them.

e) Evaluation of the open land proposed within the cluster, with respect to size, shape, location, natural resource value, and accessibility by residents of the town or of the cluster.

f) Design characteristics shall be stated in the application and shall include, but not be limited to, building material, architectural design, streets, site and building landscaping.

10.3.3 *Review of Other Boards*

Before acting upon the application, the board shall submit it with the plan to the following boards, which may review it jointly or separately: The Board of Health, the Design Review Board, the Conservation Commission, and other boards the Planning Board may deem appropriate. Any such board or agency to which petitions are referred for review shall submit such recommendations as it deems appropriate to the Planning Board. Failure to make recommendations within twenty (20) days of receipt shall be deemed lack of opposition.

10.3.4 *Definitive Residential Cluster Development Plans*

After the opportunity for review by other boards has taken place, the applicant shall submit to the Planning Board in accordance with Ch. 41 § 81K-gg, eight (8) definitive plans and other plans heretofore mentioned within ten (10) days of the expiration of the previous twenty (20) days as set forth in Section IIIc.

10.3.5 *Public Hearing*

The Planning Board shall hold a hearing under this section, in conformity with the provisions of G.L. ch. 40A, § 9 and of the zoning bylaw and regulations of the Planning Board. The hearing shall be held within 65 days after filing of the application and preliminary plans with the board and the clerk. Notice shall be given by publication and posting and by first-class mailings to "parties in interest" as defined in G.L. ch. 40A § 11. The decision of the board, and any extension, modification or renewal thereof, shall be filed with the board and clerk within ninety (90) days following the closing of the public hearing. *Failure of the Board to act within 90 days shall be deemed a grant of the permit applied for.* Issuance of the permit requires a ⅔ vote of all members of boards over 5 members, 4 members of a 5 member board, and unanimous vote of a three member board.

10.3.6 *Relation to Subdivision Control Act*

A Special Permit issued hereunder by the Planning Board shall not be a substitute for compliance with the Planning Board Rules and Regulations or the Subdivision Control Act. The Planning Board, by granting a Special Permit is not obligated to approve any definitive plan nor reduce any time periods for the Board's consideration under the Subdivision Control Act. However, in order to facilitate processing, the Planning Board may accept a combined plan and application which shall satisfy this section, the Planning Board Rules and Regulations and the Sub-Division Control Act.

10.4 USES

The permitted uses in the Residential Cluster Development may include single-family homes on separate lots and/or *multiple family homes* together with open space.

10.5 MINIMUM DIMENSIONAL REQUIREMENTS

10.5.1 The area of the tract to be developed is not less than 10 acres in a Residence B or Residence C District.

10.5.2 Every building shall be limited to 35 feet in height.

10.5.3 Minimum width of open land between any group of lots and adjacent property is 30′, and between each group of clustered buildings is 30′.

10.6 LOTS

10.6.1 The number of building lots and/or the number of buildings to be constructed within may not exceed the number of building lots of said parcels under this By-Law. The applicant shall furnish plans to identify the number of lots which could be created on said parcel under this By-Law without such permit.

10.6.2 Each building lot shall contain a site which, subject to approval by the Board of Health, may be suitable for an on-site septic disposal system, or has adequate provision for sewering.

10.6.3 Each lot shall be of a size and shape as shall provide a building site which shall be in harmony with the natural terrain and other features of the tract.

10.6.4 The front, side and rear yards of each lot shall be shown on said plan by dashed lines indicating the area within which a building may be built.

10.6.5 If the tract falls within two zones, the area requirement for the larger zone shall be used.

10.7 DESIGN STANDARDS

10.7.1 The housing shall provide for an effective and unified treatment of the development possibilities on the project site making appropriate provision for the preservation of natural features and amenities of the site and the surrounding areas.

10.7.2 The housing shall be planned and developed to harmonize with any existing or proposed development in the area surrounding the project site.

10.7.3 All buildings in the layout and design shall be an integral part of the development and have convenient access to and from adjacent uses and roadways.

10.7.4 Individual buildings shall be related to each other in design, masses, materials, placement and connections to provide a visually and physically integrated development.

10.7.5 Treatment of the sides and rear of all buildings within the development shall be comparable in amenities and appearance to the treatment given to street frontages of these same buildings.

10.7.6 All buildings shall be arranged so as to preserve visual and audible privacy between adjacent buildings.

10.7.7 Multi-family dwellings cannot exceed thirty (30%) percent of the units in a Residential Cluster Development.

10.7.8 The architectural theme of a multi-family dwelling shall be carried out by use of compatible building materials, color, exterior detailing, bulk and/or roof lines. Rigidity in design shall be avoided by variations in building location, planting, lot coverage and building materials.

10.7.9 No dwelling unit in any building of two (2) or more dwelling units shall be designed, constructed or altered to have more than two (2) bedrooms. For the purposes of this provision, each room in excess of four (4) rooms, exclusive of bathrooms, closets, or other small service rooms of less than sixty-eight (68) square feet, shall be considered a bedroom.

10.8 LANDSCAPE DESIGN STANDARDS

10.8.1 A maximum of thirty-five percent (35%) of the Planned Residential Cluster Development may be covered by impervious waterproof surface.

10.8.2 Whenever appropriate, existing trees and vegetation shall be preserved and integrated into the landscape design plan.

10.8.3 Whenever possible, the existing terrain shall be preserved and earth moving shall be kept to a minimum.

10.8.4 For active recreation areas, the Planning Board may require a buffer zone of a minimum of 50 , where said active recreation area adjoins land not part of the Cluster Residential Area.

10.8.5 Suitable indigenous shrubs and other plant material may be used for screening. Lands used for buffer may be maintained as common open space or as private open space subject to a deed restriction.

10.9 PARKING AND CIRCULATION DESIGN STANDARDS

10.9.1 There shall be an adequate, safe and convenient arrangement of pedestrian circulation facilities, roadways, driveways and off-street parking.

10.9.2 Off-street parking shall conform to the provisions of Section 7 of the By-Law.

10.9.3 Parking facilities shall be designed with careful regard to arrangement, topography, landscaping, ease of access, and shall be developed as an integral part of an overall site design.

10.10 COMMON OPEN SPACE

10.10.1 Provision shall be made so that at least *thirty-five (35) percent* of the land area shall be Open Land and that the Open Land shall include all land not dedicated to parking, roads or lots.

10.10.2 Areas which are considered by the Planning board as marginal or unsuitable for building, such as floodplains, inaccessible wetland and water areas, steep slopes, highly erodible or poorly drained areas, areas of very shallow bedrock, or of very high water table shall be included in the permanent open space; but no more than forty percent (40%) of the required open space shall consist of such marginal or unbuildable areas.

10.10.3 Open spaces may be utilized as natural courses for disposal for storm drainage on the sites. No conditions shall be allowed which are likely to cause erosion or flooding of any structures.

10.10.4 Such open space may be in one or more parcel of a size and shape appropriate for its intended use as determined by the Planning Board and shall be within easy access to all residents of the Residential Cluster Development.

10.11 OWNERSHIP

10.11.1 The open land, and such other facilities as may be held in common shall be conveyed in one of the following manners, as determined by the planning board.

10.11.2 (In general, valuable natural resource land such as wetlands not suitable for any public use, or suitable for extensive public recreational use, should be conveyed to the town or to a trust; whereas land which will be principally used by the residents of the cluster should be conveyed to a Homeowners Association.)

a) To a corporation or trust comprising a homeowners association whose membership includes the owners of all lots or units contained in the tract. The developer shall include in the deed to owners of individual lots beneficial rights in said open land, and shall grant a conservation restriction to the Town of Cohasset over such land pursuant to M.G.L. Chapter 184, § 31-33, to insure that such land be kept in an open or natural state and not be built upon for residential use or developed for accessory uses such as parking or roadways. This restriction shall be enforceable by the Town through its Conservation Commission in any proceeding authorized by § 33 of Ch. 184 of M.G.L. In addition, the developer shall be responsible for the maintenance of the common land and any other facilities to be held in common until such time as the homeowners association is capable of assuming said responsibility. In order to ensure that the association will properly maintain the land deeded to it under this section, the developer shall cause to be recorded at the Norfolk Registry of Deeds a Declaration of Covenants and Restrictions which shall, at a minimum provide for the following:

1) mandatory membership in an established homes association, as a requirement of ownership of any lot in the tract;

2) provisions for maintenance assessments of all lots in order to ensure that the open land is maintained in a condition suitable for the uses approved by the homes association. Failure to pay such assessment shall create a lien on the property assessed, enforceable by either the homes association or the owner of any lot;

3) provision which, so far as possible under the existing law, will ensure that the restrictions placed on the use of the open land will not terminate by operation of law.

b) To a non-profit organization, the principal purpose of which is the conservation of open space. The developer or charity shall grant a conservation restriction as set out in (a) above.

c) To the Conservation Commission of the Town for park or open space use, subject to the approval of the selectmen, with a trust clause insuring that it be maintained as open space.

10.11.3 Subject to the above, the open space may be used for recreational purposes including golf courses, riding trails, tennis courts, gardens and swimming pools. The Board may permit open land owned by a Homeowners Association to be used for individual septic systems, or for communal septic systems if it, and the Board of Health, are convinced that proper legal safeguards exist for proper management of a communally owned system.

10.11.4 Common Open Space and driveways shall be owned and maintained by the Homeowners Association.

10.12 FURTHER REQUIREMENTS

10.12.1 No use other than residential or recreational shall be permitted.

10.12.2 No lot shown on a plan for which a permit is granted under this section may be further subdivided, and a notation to this effect shall be shown upon the plan.

10.12.3 No certificate of occupancy shall be issued by the building inspector until he has certified to the planning board that the premises have been built in accordance with the plan approved by the board hereunder.

10.12.4 The Board may impose other conditions, safeguards, limitations on time and use, pursuant to its regulations.

10.12.5 The Board may grant a special permit hereunder for clustering if the developer conforms to the Subdivision Control Law.

10.12.6 Except insofar as the subdivision is given five (5) years' protection under G.L. Ch. 40A § 6, the special permits granted under this section shall lapse within two years excluding time required to pursue or await the determination of an appeal, from the grant thereof, if a substantial use has not sooner commenced or if construction has not begun, except that the Planning Board may grant an extension for good cause and shall grant an extension if the delay was caused by the need to seek other permits.

10.12.7 Subsequent to granting of the permit, the Planning Board may permit relocation of lot lines within the cluster. However, any change in overall density, street layout, or open space layout will require further hearings.

10.12.8 Except as specified in a Special Permit granted under this section, all requirements of the zoning bylaw shall be in full force and effect.

10.13 FINDINGS OF THE BOARD

10.13.1 The Board may grant a special permit under this section only if it finds that the applicant has demonstrated the following: that the cluster plan will be in harmony with the general purpose of the bylaw and the requirements of G.L. ch. 40A, and the long range plan of the town (if any); that it will not have a detrimental impact on the neighborhood, will be designed with due consideration for health and safety, and is superior to a conventional plan in preserving open space, minimizing environmental disruption, allowing for more efficient provision of services, or allowing for greater variety in prices or types of housing.

10.13.2 In connection with issuing or denying a special permit under this section, the Planning Board shall issue to the applicant and shall file with the Town Clerk a written decision which shall include:

a) A copy of the subdivision and site plans;

b) A finding that the plan is in harmony with the purposes and intent of the Zoning By-Law and this Section.

c) A list of any conditions imposed by the Planning Board.

10.13.3 If the Planning Board disagrees with the recommendations of the Conservation Commission or the Board of Health, it shall state its reasons therefor in writing.

MOVED. That the Town amend the zoning by-law by adding the following:

A new Section 10—Residential Cluster Development District hereinafter set forth by striking the present words "Section 10—Regulations Governing Earth Removal" and substituting therefor the words "Section 11—Regulations Governing Earth Removal"; and by striking the present words "Section 11—Administration and Enforcement" and substituting therefor the words "Section 12—Administration and Enforcement"; and by striking the present words "Section 12—Amendment, Validity" and substituting therefor the words "Section 13—Amendment, Validity" or act on anything relating thereto.

Section 10—RESIDENTIAL CLUSTER DEVELOPMENT DISTRICT

10.1 DEFINITIONS

Cluster Development
An option which permits an applicant to build single-family (and multi-family) dwellings with reduced lot area and frontage requirements so as to create a development in which the buildings and accessory uses are clustered together into one or more groups with adjacent common open land.

Homes Association
A corporation or trust owned or to be owned by the owners of lots or residential units within a tract approved for cluster development, which holds the title to open land and which is responsible for the costs and maintenance of said open land and any other facilities to be held in common.

Common Open Space
A parcel or parcels of land or an area of water, or a combination of land and water within the site designated for a Residential Cluster Development, maintained and preserved for open uses, and designed and intended for the use or enjoyment of residents of the Residential Cluster Development. Common Open space may contain such complementary structures and improvements as are necessary and appropriate for the benefit and enjoyment of residents of the Residential Cluster Development, but shall not include streets or parking areas except those incidental to open space uses.

Wetlands
Area characterized by vegetation described in Ch. 131, § 40.

Multi-Family (For the purpose of this section only)
Attached dwelling units or buildings designed for or occupied by two or more families.

10.2 PURPOSE (in addition to purposes set out in G.L. Ch. 40A and the local zoning):

10.2.1 The Planning Board may grant a special permit for cluster development in the Residence B and Residence C District(s) upon the following terms and conditions:

a) To encourage the more efficient use of land in harmony with its natural features;

b) To encourage creativity in the design of developments through a carefully controlled process;

c) To encourage a less sprawling form of development, a shorter network of streets and utilities, more economical development of land with less consumption of open space;

d) To permanently preserve natural topography and wooded areas within developed areas and to preserve useable open space and recreation facilities close to homes;

e) To provide an efficient procedure to ensure appropriate high quality design and site planning and to enhance the neighborhoods in which they occur and to the Town as a whole;

f) To promote diverse and energy-efficient housing at a variety of costs.

10.3 PROCEDURES

10.3.1 *Filing of Application*
Each application for a special permit to cluster shall be filed with the Planning Board, with a copy filed forthwith with the town clerk, and shall be accompanied by eight (8) copies of a preliminary plan of the entire tract under consideration, prepared by a professional architect, engineer and landscape architect.

10.3.2 *Contents of Application*
Said application and plan shall be prepared in accordance with requirements for a preliminary subdivision plan in the Rules and Regulations of the Planning Board governing subdivision of land, whether or not the development constitutes a subdivision, and shall include proposed location, bulk and height of all proposed buildings. In addition, the applicant shall provide the following information:

a) The number of dwellings which could be constructed under this bylaw by means of a conventional development plan, considering the whole tract, exclusive of waterbodies and land prohibited from development by legally enforceable restrictions, easements of covenants. (Note: if areas such as wetlands, floodplains or steep slopes are not counted in figuring the number of permissible units, the applicant should be required to exclude those areas in making his calculations.)

b) An analysis of the site, including wetlands, slopes, soil conditions, areas within the 100 year flood, trees over 8 inches diameter and such other natural features as the Planning Board may request.

c) A summary of the environmental concerns relating to the proposed plan.

d) A description of the neighborhood in which the tract lies, including utilities and other public facilities, and the impact of the proposed plan upon them.

e) Evaluation of the open land proposed within the cluster, with respect to size, shape, location, natural resource value, and accessibility by residents of the town or of the cluster.

f) Design characteristics shall be stated in the application and shall include, but not be limited to, building material, architectural design, streets, site and building landscaping.

10.3.3 *Review of Other Boards*
Before acting upon the application, the board shall submit it with the plan to the following boards, which may review it jointly or separately: The Board of Health, the Design Review Board, the Conservation Commission, and other boards the Planning Board may deem appropriate. Any such board or agency to which petitions are referred for review shall submit such recommendations as it deems appropriate to the Planning Board. Failure to make recommendations within twenty (20) days of receipt shall be deemed lack of opposition.

10.3.4 *Definitive Residential Cluster Development Plans*
After the opportunity for review by other boards has taken place, the applicant shall submit to the Planning Board in accordance with Ch. 41 § 81K-gg, eight (8) definitive plans and other plans heretofore mentioned within ten (10) days of the expiration of the previous twenty (20) days as set forth in Section 10.3.3

10.3.5 *Public Hearing*
The Planning Board shall hold a hearing under this section, in conformity with the provisions of G.L. ch. 40A, § 9 and of the zoning bylaw and regulations of the Planning Board. The hearing shall be held within 65 days after filing of the application and preliminary plans with the board and the clerk. Notice shall be given by publication and posting and by first-class mailings to "parties in interest" as defined in G.L. ch. 40A § 11. The decision of the board, and any extension, modification or renewal thereof, shall be filed with the board and clerk within ninety (90) days following the closing of the public hearing. *Failure of the Board to act within 90 days shall be deemed a grant of the permit applied for.* Issuance of the permit requires a ⅔ vote of all members of boards over 5 members, 4 members of a 5 member board, and unanimous vote of a three member board.

10.3.6 *Relation to Subdivision Control Act*
A Special Permit issued hereunder by the Planning Board shall not be a substitute for compliance with the Planning Board Rules and Regulations or

the Subdivision Control Act. The Planning Board, by granting a Special Permit is not obligated to approve any definitive plan nor reduce any time periods for the Board's consideration under the Subdivision Control Act. However, in order to facilitate processing, the Planning Board may accept a combined plan and application which shall satisfy this section, the Planning Board Rules and Regulations and the Sub-Division Control Act.

10.4 USES

The permitted uses in the Residential Cluster Development may include single-family homes on separate lots and/or *multiple family homes* together with open space.

10.5 MINIMUM DIMENSIONAL REQUIREMENTS

10.5.1 The area of the tract to be developed shall not be less than 10 acres in a Residence B or Residence C District.

10.5.2 Every building shall be limited to 35 feet in height.

10.5.3 Minimum width of open land between any group of lots and adjacent property shall be 30′, and between each group of clustered buildings shall be 30′.

10.6 LOTS

10.6.1 The number of building lots and/or the number of buildings to be constructed within may not exceed the number of building lots of said parcels under this By-Law. The applicant shall furnish plans to identify the number of lots which could be created on said parcel under this By-Law without such permit.

10.6.2 Each building lot shall contain a site which, subject to approval by the Board of Health, may be suitable for an on-site septic disposal system, or has adequate provision for sewering.

10.6.3 Each lot shall be of a size and shape as shall provide a building site which shall be in harmony with the natural terrain and other features of the tract.

10.6.4 The front, side and rear yards of each lot shall be shown on said plan by dashed lines indicating the area within which a building may be built.

10.6.5 If the tract falls within two zones, the area requirement for the larger zone shall be used.

10.7 DESIGN STANDARDS

10.7.1 The housing shall provide for an effective and unified treatment of the development possibilities on the project site making appropriate provision for the preservation of natural features and amenities of the site and the surrounding areas.

10.7.2 The housing shall be planned and developed to harmonize with any existing or proposed development in the area surrounding the project site.

10.7.3 All buildings in the layout and design shall be an integral part of the development and have convenient access to and from adjacent uses and roadways.

10.7.4 Individual buildings shall be related to each other in design, masses, materials, placement and connections to provide a visually and physically integrated development.

10.7.5 Treatment of the sides and rear of all buildings within the development shall be comparable in amenities and appearance to the treatment given to street frontages of these same buildings.

10.7.6 All buildings shall be arranged so as to preserve visual and audible privacy between adjacent buildings.

10.7.7 Multi-family dwellings cannot exceed thirty (30%) percent of the units in a Residential Cluster Development.

10.7.8 The architectural theme of a multi-family dwelling shall be carried out by use of compatible building materials, color, exterior detailing, bulk and/or roof lines. Rigidity in design shall be avoided by variations in building location, planting, lot coverage and building materials.

10.7.9 No dwelling unit in any building of two (2) or more dwelling units shall be designed, constructed or altered to have more than two (2) bedrooms. For the purposes of this provision, each room in excess of four (4) rooms, exclusive of bathrooms, closets, or other small service rooms of less than forty-eight (48) square feet, shall be considered a bedroom.

10.8 LANDSCAPE DESIGN STANDARDS

10.8.1 A maximum of thirty-five percent (35%) of the Planned Residential Cluster Development may be covered by impervious waterproof surface.

10.8.2 Whenever appropriate, existing trees and vegetation shall be preserved and integrated into the landscape design plan.

10.8.3 Whenever possible, the existing terrain shall be preserved and earth moving shall be kept to a minimum.

10.8.4 For active recreation areas, the Planning Board may require a buffer zone of a minimum of 50′, where said active recreation area adjoins land not part of the Cluster Residential Area.

10.8.5 Suitable indigenous shrubs and other plant material may be used for screening. Lands used for buffer may be maintained as common open space or as private open space subject to a deed restriction.

10.9 PARKING AND CIRCULATION DESIGN STANDARDS

10.9.1 There shall be an adequate, safe and convenient arrangement of pedestrian circulation facilities, roadways, driveways and off-street parking.

10.9.2 Off-street parking shall conform to the provisions of Section 7 of the By-Law.

10.9.3 Parking facilities shall be designed with careful regard to arrangement, topography, landscaping, ease of access, and shall be developed as an integral part of an overall site design.

10.10 COMMON OPEN SPACE

10.10.1 Provision shall be made so that at least *thirty-five (35) percent* of the land area shall be Open Land and that the Open Land shall include all land not dedicated to parking, roads or lots.

10.10.2 Areas which are considered by the Planning board as marginal or unsuitable for building, such as floodplains, inaccessible wetland and water areas, steep slopes, highly erodible or poorly drained areas, areas of very shallow bedrock, or of very high water table shall be included in the permanent open space; but no more than forty percent (40%) of the required open space shall consist of such marginal or unbuildable areas.

10.10.3 Open spaces may be utilized as natural courses for disposal for storm drainage on the sites. No conditions shall be allowed which are likely to cause erosion or flooding of any structures.

10.10.4 Such open space may be in one or more parcel of a size and shape appropriate for its intended use as determined by the Planning Board and shall be within easy access to all residents of the Residential Cluster Development.

10.11 OWNERSHIP

10.11.1 The open land, and such other facilities as may be held in common shall be conveyed in one of the following manners, as determined by the planning board.

10.11.2 (In general, valuable natural resource land such as wetlands not suitable for any public use, or suitable for extensive public recreational use, should be conveyed to the town or to a trust; whereas land which will be principally used by the residents of the cluster should be conveyed to a Homeowners Association.)

a) To a corporation or trust comprising a homeowners association whose membership includes the owners of all lots or units contained in the tract. The developer shall include in the deed to owners of individual lots beneficial rights in said open land, and shall grant a conservation restriction to the Town of Cohasset over such land pursuant to M.G.L. Chapter 184, § 31-33, to insure that such land be kept in an open or natural state and not be built upon for residential use or developed for accessory uses such as parking or roadways. This restriction shall be enforceable by the Town through its Conservation Commission in any proceeding authorized by § 33 of Ch. 184 of M.G.L. In addition, the developer shall be responsible for the maintenance of the common land and any other facilities to be held in common until such time as the homeowners association is capable of assuming said responsibility. In order to ensure that the association will

properly maintain the land deeded to it under this section, the developer shall cause to be recorded at the Norfolk Registry of Deeds a Declaration of Covenants and Restrictions which shall, at a minimum provide for the following:

1) mandatory membership in an established homes association, as a requirement of ownership of any lot in the tract;

2) provisions for maintenance assessments of all lots in order to ensure that the open land is maintained in a condition suitable for the uses approved by the homes association. Failure to pay such assessment shall create a lien on the property assessed, enforceable by either the homes association or the owner of any lot;

3) provision which, so far as possible under the existing law, will ensure that the restrictions placed on the use of the open land will not terminate by operation of law.

b) To a non-profit organization, the principal purpose of which is the conservation of open space. The developer or charity shall grant a conservation restriction as set out in (a) above.

c) To the Conservation Commission of the Town for park or open space use, subject to the approval of the selectmen, with a trust clause insuring that it be maintained as open space.

10.11.3 Subject to the above, the open space may be used for recreational purposes including golf courses, riding trails, tennis courts, gardens and swimming pools. The Board may permit open land owned by a Homeowners Association to be used for individual septic systems, or for communal septic systems if it, and the Board of Health, are convinced that proper legal safeguards exist for proper management of a communally owned system.

10.11.4 Common Open Space and driveways shall be owned and maintained by the Homeowners Association.

10.12 FURTHER REQUIREMENTS

10.12.1 No use other than residential or recreational shall be permitted.

10.12.2 No lot shown on a plan for which a permit is granted under this section may be further subdivided, and a notation to this effect shall be shown upon the plan.

10.12.3 No certificate of occupancy shall be issued by the building inspector until he has certified to the planning board that the premises have been built in accordance with the plan approved by the board hereunder.

10.12.4 The Board may impose other conditions, safeguards, limitations on time and use, pursuant to its regulations.

10.12.5 The Board may grant a special permit hereunder for clustering if the developer conforms to the Subdivision Control Law.

10.12.6 Except insofar as the subdivision is given five (5) years' protection under G.L. Ch. 40A § 6, the special permits granted under this section shall lapse within two years excluding time required to pursue or await the determination of an appeal, from the grant thereof, if a substantial use has not sooner commenced or if construction has not begun, except that the Planning Board may grant an extension for good cause and shall grant an extension if the delay was caused by the need to seek other permits.

10.12.7 Subsequent to granting of the permit, the Planning Board may permit relocation of lot lines within the cluster. However, any change in overall density, street layout, or open space layout will require further hearings.

10.12.8 Except as specified in a Special Permit granted under this section, all requirements of the zoning bylaw shall be in full force and effect.

10.13 FINDINGS OF THE BOARD

10.13.1 The Board may grant a special permit under this section only if it finds that the applicant has demonstrated the following: that the cluster plan will be in harmony with the general purpose of the bylaw and the requirements of G.L. ch. 40A, and the long range plan of the town (if any); that it will not have a detrimental impact on the neighborhood, will be designed with due consideration for health and safety, and is superior to a conventional plan in preserving open space, minimizing environmental disruption, allowing for more efficient provision of services, or allowing for greater variety in prices or types of housing.

10.13.2 In connection with issuing or denying a special permit under this section, the Planning Board shall issue to the applicant and shall file with the Town Clerk a written decision which shall include:

a) A copy of the subdivision and site plans;

b) A finding that the plan is in harmony with the purposes and intent of the Zoning By-Law and this Section.

c) A list of any conditions imposed by the Planning Board.

10.13.3 If the Planning Board disagrees with the recommendations of the Conservation Commission or the Board of Health, it shall state its reasons therefor in writing.

REPORT OF THE PLANNING BOARD ON ARTICLE 26

A public hearing on Article 26 was held by the Planning Board on Wednesday, March 18, 1981. The Planning Board voted unanimously in favor of this by-law with the following changes:

SECTION 10. Definitions

After "Multi-Family" add "(For the purpose of this Section only)"

10.3.4 *Definitive Residential Cluster Development*
last line after "...in Section..." delete IIIc and substitute "10.3.3".

10.5.1 Delete "is not" and substitute "shall not be".

10.5.3 After "...adjacent property..." delete "is" and substitute "shall be", after "clustered buildings..." delete "is" and substitute "shall be".

10.7.9 Delete "...sixty-eight (68)..." and substitute "...forty-eight (48)..."

After Section 10.13.2 Section 10.3.3 should read "10.13.3".

This is to certify that the following persons are members of the Planning Board: Patricia Facey, Chairman. John E. Bradley, Patrick A. Plante, John F. O'Toole and Barbara M. Power, Secretary.

/s/ Barbara M. Power, Secretary /s/

Article 26 voted by a hand vote, yes, 156, no, 52.

Article 27. To see if the Town will raise and appropriate or transfer from available funds the sum of $50,000.00 to be added to the Special Retirement Fund for the purpose of offsetting the anticipated costs for funding the contributory retirement system in accordance with Massachusetts General Laws, Chapter 40, Section 5D as added by Chapter 599 of the Acts of 1977, or act on anything relating thereto.
MOVED: That the Town appropriate from surplus revenue the sum of $50,000.00 to be added to the Special Retirement Fund for the purpose of offsetting the anticipated costs for funding the contributory retirement system in accordance with Massachusetts General Laws, Chapter 40, Section 5D as added by Chapter 559 of the Acts of 1977.
Article 27 voted unanimously by a voice vote.

Article 28. To see if the Town will raise and appropriate $2,800.00 to replace the two heating boilers in the two apartments at the Government Island House, or act on anything relating thereto.
MOVED. That the Town raise and appropriate $2,800.00 by taxation to replace the two heating boilers in the two apartments at the Government Island House.
Article 28 voted by a voice vote.

MOVED. That this meeting be adjourned until Monday, April 6, 1981 at 7:30 P.M. at the Cohasset High School Auditorium.
Voted unanimously by a voice vote at 5:30 P.M.

MONDAY, APRIL 6, 1981

The meeting was called to order by the Moderator at 7:55 P.M. there were 379 voters present.

Checkers previously appointed by the Selectmen reported to work at 7:00 P.M. Frances Marks replaced Betty N. Grassie who was unable to be present.

Article 29. To see if the Town will vote to rescind the acceptance of Mass. General Laws, Ter. Ed. Chapter 48 Section 42 dealing with the Fire Department appointment and powers of the Chief of the Fire Department, etc., and place the Town under the provisions of Section 42A of the same Chapter relating to Fire Department, appointment of and powers of the Board of Selectmen and Chief of Fire Department, etc., or act on anything relating thereto.
MOVED. That the Town rescind the acceptance of Mass. General Laws, Ter. Ed. Chapter 48 Section 42 dealing with the Fire Department appointment and powers of the

Chief of the Fire Department, etc., and place the town under the provisions of Section 42A of the same Chapter relating to Fire Department, appointment of and powers of the Board of Selectmen and Chief of Fire Department.
The Advisory Board asked for a secret ballot on this article.
Article 29 voted by secret ballot, yes 178, no 111.

Article 30. To see if the Town will vote to instruct the Board of Selectmen to petition the General Court of Massachusetts to enact the following legislation, or act on anything relating thereto.

An act providing that the Chief of the Fire Department of the Town of Cohasset shall be exempted from the Civil Service Laws and Rules.

Section 1: Notwithstanding any contrary provision of law, appointment of the Chief of the Fire Department of the Town of Cohasset shall not be subject to the Civil Service Laws and Rules.

Section 2: The provisions of Section One of this Act shall not impair the Civil Service status of the Chief of the Fire Department of the said Town Holding such status on the effective date of this Act.

Section 3: This Act shall take effect upon its passage.
MOVED. That Article 30 be indefinitely postponed.
Motion defeated by a voice vote.
MOVED. That the Town instruct the Board of Selectmen to petition the General Court of Massachusetts to enact the following legislation:

An act providing that the Chief of the Fire Department of the Town of Cohasset shall be exempted from the Civil Service Laws and Rules.

Section 1: Notwithstanding any contrary provision of law, appointment of the Chief of the Fire Department of the Town of Cohasset shall not be subject to the Civil Service Laws and Rules.

Section 2: The provisions of Section One of this Act shall not impair the Civil Service status of the Chief of the Fire Department of the Said Town holding such status on the effective date of this Act.

Section 3: This Act shall take effect upon its passage.
It is further moved: That after receiving notice that passage of the act has been approved by the General Court of Massachusetts and immediately after receiving notice that the position will be vacated, a committee of five (5) citizens shall be appointed by the Moderator, the Chairman of the Board of Selectmen and the Chairman of the Advisory Committee to be known as the Fire Chief Search Committee. Such committee shall determine job qualifications, arrange for testing where appropriate and advertise the position in at least one locally circulated and one major Boston newspaper. Thereafter, they shall conduct screening interviews as they deem necessary giving due consideration to qualified members of the existing department. The Committee shall then submit the names of the three (3) most highly qualified applicants to the Board of Selectmen from which it shall select one.

In the event of disciplinary action against the Fire Chief, such proceedings shall be conducted in open session by the Board of Selectmen with right of appeal to the Personnel Committee whose majority decision after a public hearing shall be final and binding upon the parties.
The Advisory Board asked for a secret ballot on this article.
Article 30 voted by a secret ballot, yes 190, no 105.

Article 31. To see if the Town will raise and appropriate a sum of money to raze or otherwise dispose of the existing structure and to construct, equip and furnish a new fire substation, to be located on the site of the present substation on Beechwood Street as shown on Town Assessors Plan No. 55 and plot plan of proposed fire substation, which plans along with construction plans and specifications are on file at the office of the Town Clerk; and to meet said appropriation the Treasurer, with the approval of the Board of Selectmen, is authorized to issue notes or bonds in accordance with Section 7, clause 3, of Chapter 44 of the Mass. General Laws, Ter. Ed., or act on anything relating thereto.

MOVED. That the Town raise and appropriate the sum of $110,000.00 to raze or otherwise dispose of the existing structure and to construct, equip and furnish a new fire substation, to be located on the site of the present substation on Beechwood Street as shown on Town Assessors Plan No. 55 and plot plan of proposed fire substation, which plans along with construction plans and specifications are on file at the office of the Town Clerk; and to meet said appropriation, the Treasurer, with the approval of the Board of Selectmen, is authorized to issue bonds and notes in accordance with Mass. General Laws Ter. Ed. Chapter 44, Section 7 in the amount of $110,000.00 and that the Board of Selectmen is authorized to enter into contracts relative to same and to take whatever action is necessary to effectuate above.

Motion on Article 31 defeated by a hand vote, yes 56, no 194.

Article 32. To see if the Town will appropriate a sum of money from surplus revenue for the purpose of paying a judgment relating to confirmation of arbitrator's award pertaining to overtime pay for certain policemen and legal costs incurred in connection therewith; or act on anything relating thereto.

MOVED. That the Town appropriate the sum of $8,337.00 from surplus revenue for the purpose of paying a judgment relating to confirmation of arbitrator's award pertaining to overtime pay for certain policemen incurred in connection therewith.

Article 32 voted by a voice vote.

Article 33. (Inserted by the Board of Selectmen at the request of Janet M. Daggett, Chairman, Sewer Commissioners.)

To see if the Town will release, abandon and extinguish to Robert Henry Fessler, Jr. and his successors in title, its rights to a perpetual sewer right and easement as recorded in a taking by said Town dated 12/15/71 recorded Norfolk Registry of Deeds in Book 4794, Pages 708-716 over a portion of a parcel, designated as "P.E.-1" and shown on a plan entitled "Easements to be acquired for Sewerage Purposes for the Town of Cohasset, Mass. Board of Sewer Commissioners, Scale 1″=40′, February 1971, Fay, Spoffard & Thorndike, Inc., Engineers, Boston, Mass." said plan being filed as No. 989 of 1971 in Plan Book 230; said parcel being released, abandoned and extinguished is bounded and described as follows:

Beginning at the Northerly corner of said parcel P.E.-1 as shown on the aforesaid plan at a point marked A; thence running Southeasterly 46.5 feet on the boundary line between land of Fessler and Hildebrandt as shown on said plan to the Northerly corner of Parcel T.E.-2A; thence turning and running Southwesterly by the Northwesterly boundary line of parcel T.E.-2A and the Southeasterly boundary line of parcel P.E.-1 approximately 13 feet to a point; thence turning and running Northwesterly in a straight line parallel to and 20 feet North of the Southerly boundary of parcel P.E.-2 approximately 38 feet to a point on the Westerly boundary line of parcel P.E.-1 thence turning

and running in a Northerly direction on the Westerly boundary line of parcel P.E.-1 approximately 12 feet to a point beginning marked "A",

or act on anything relating thereto.
MOVED. That the Town release, abandon and extinguish to Robert Henry Fessler, Jr. and his successors in title, its rights to a perpetual sewer right and easement as recorded in a taking by said Town dated 12/15/71 recorded Norfolk Registry of Deeds in Book 4794, Pages 708-716 over a portion of a parcel, designated as "P.E.-1" and shown on a plan entitled "Easements to be acquired for Sewerage Purposes for the Town of Cohasset, Mass. Board of Sewer Commissioners, Scale 1″=40′, February 1971, Fay, Spoffard & Thorndike, Inc., Engineers, Boston, Mass." said plan being filed as No. 989 of 1971 in Plan Book 230; said parcel being released, abandoned and extinguished is bounded and described as follows:

Beginning at the Northerly corner of said parcel P.E.-1 as shown on the aforesaid plan at a point marked A; thence running Southeasterly 46.5 feet on the boundary line between land of Fessler and Hildebrandt as shown on said plan to the Northerly corner of Parcel T.E.-2A; thence turning and running Southwesterly by the Northwesterly boundary line of parcel T.E.-2A and the Southeasterly boundary line of parcel P.E.-1 approximately 13 feet to a point; thence turning and running Northwesterly in a straight line parallel to and 20 feet North of the Southerly boundary of parcel P.E.-2 approximately 38 feet to a point on the Westerly boundary line of parcel P.E.-1 thence turning and running in a Northerly direction on the Westerly boundary line of parcel P.E.-1 approximately 12 feet to a point beginning marked "A".
Article 33 voted unanimously by a voice vote.

Article 34. (Inserted by the Board of Selectmen at the request of Janet M. Daggett, Chairman, Sewer Commissioners.)

To see if the Town will vote to instruct the Board of Selectmen to petition the General Court of the Commonwealth of Massachusetts to amend Section 12 of Chapter 65 of the Acts of 1962 by striking the words "twenty dollars" and substituting therefor the words "five hundred dollars" so that Section 12 shall read as follows:

Said Board of Sewer Commissioners may, from time to time, prescribe rules and regulations for the connection of estates and buildings with sewers, and for inspection of the materials, the construction, alteration and use of all connections entering into such sewers, and may prescribe penalties, not exceeding five hundred dollars, for each violation of any such rule or regulation. Such rules and regulations shall be published at least once a week for three consecutive weeks in some newspaper, published in the Town of Cohasset, if there be any, or if not, then in some newspaper published in the county of Norfolk, and shall not take effect until such publications have been made.

or act on anything relating thereto.
MOVED. That the Town instruct the Board of Selectmen to petition the General Court of the Commonwealth of Massachusetts to amend Section 12 of Chapter 65 of the Acts of 1962 by striking the words "twenty dollars" and substituting therefor the words "five hundred dollars" so that Section 12 shall read as follows:

Said Board of Sewer Commissioners may, from time to time, prescribe rules and regulations for the connection of estates and buildings with sewers, and for inspection of the materials, the construction, alteration and use of all connections entering into such sewers, and may prescribe penalties, not exceeding five hundred dollars, for each violation of any such rule or regulation. Such rules and regulations shall be published at

least once a week for three consecutive weeks in some newspaper, published in the Town of Cohasset, if there be any, or if not, then in some newspaper published in the county of Norfolk, and shall not take effect until such publications have been made.

Town Clerk of Cohasset

Special Town Meeting December 14, 1981

Town Clerk's Report

At the Special Town Meeting held at the Cohasset High School Auditorium at 7:30 P.M. December 14, 1981, the following Articles were contained in the Warrant and acted upon as recorded.

Checkers previously appointed for entrance by the Selectmen and sworn in by Town Clerk Charles A. Marks at 7:00 P.M. were Margaret C. Hernan, Barbara Williams, Mary N. Grassie, Mary M. Brennock and Frances L. Marks.

Tellers appointed by the Moderator and sworn in by the Moderator William D. Weeks at 7:30 P.M. were Arthur L. Lehr, Jr., Robert S. Pape, Bernard H. Mulcahy, Nancy E. Sladen.

The number of voters present as checked on the incoming voters lists was 214.

The meeting was called to order at 8:40 P.M. by Moderator William D. Weeks and the Town Clerk proceeded to read the call of the meeting.

The invocation was given by Rev. John Benbow, Minister, Second Congregational Church.

Article 1. (Inserted by the Board of Selectmen at the request of William S. Signorelli, Town Accountant.)

To see if the Town will vote to raise and appropriate by taxation or otherwise the sum of $11,487.12 for the payment of the following unpaid bills relating to the 1981 Fiscal year or act on anything relating thereto.

Article 6. Yes and No Vote in doubt.
Moderator called for a hand vote Yes 129, No 65.

RESOLUTION by Robert B. James

Resolved: Whereas David E. Place has, effective June 11, 1981, resigned as Moderator of the Town of Cohasset to accept a Presidential appointment as General Counsel to the United States Air Force and whereas he had served with distinction as Moderator continuously since 1969 and had demonstrated qualities of integrity, fairness and devotion to the best interests of our town. Now therefore, the citizens of Cohasset, assembled in Special Town Meeting December 14, 1981, do hereby express our appreciation for his services and our high regard for him personally. We congratulate him on being so honored and wish him every success in discharging his responsibilities on the Federal level of government. Further that this Resolution be recorded in the preceedings of this Town Meeting and that the Town Clerk send a copy of this Resolution in appropriate form to David E. Place, General Counsel United States Air Force, Washington, D.C.
Resolution voted unanimously by a voice vote.

Article 7. (Inserted by the Board of Selectmen, Henry W. Ainslie, Jr., Chairman and others.)

To see if the Town will vote to appropriate from surplus revenue or other available funds or raise and appropriate by authorizing the Treasurer, with the approval of the Board of Selectmen, to issue bonds and notes the sum of $140,000.00 for the purpose of purchasing the Penn Railroad right of way thru the Town of Cohasset, comprising, approximately 27 acres of land; said appropriation may be used for any costs and expenses related to said purchase, or act on anything relating thereto.

Question of Quorum—Tellers count: 214

MOVED: That the Town raise and appropriate the sum of $135,000.00 for the purpose of purchasing the Penn Railroad right of way through the Town of Cohasset being the right of way from the Scituate Town Line on Railroad valuation map 500-9104-27B-14 extending North to Station 519 + 0 on map 500-9104-27B-10, said parcel being shown as

parcel letter "A", MAB100-C14 and delineated in yellow on a plan entitled "Right of way and tract map Old Colony R.R. Co. operated by the New York, New Haven and Hartford R.R.Co. dated June 30, 1915, to which plan reference is hereby made for a more particular description and to meet said appropriation the treasurer, with the approval of the Board of Selectmen, is authorized to issue notes in the amount of $132,000.00 in accordance with Massachusetts General Laws, Chapter 44 Section 7 and to transfer from surplus revenue the sum of $3,000.00 for expenses in connection there with.

Amendment to Main motion Article 7.
MOVED: That the motion to Article 7 be amended by striking same in its entirety and substituting in place there of the following:
MOVED: That the Town raise and appropriate the sum of $112,500.00 for the purpose of purchasing a portion of the Penn Railroad right of way through the Town of Cohasset being the right of way beginning at Beechwood Street on Railroad valuation map 500-9104-27B-14 extending north to station 519-0 on map 500-9104-27B-10, said parcel being shown as part of the parcel letter "A". MAB 100-C14 and deliniated in yellow on a plan entitled "Right of way and tract map Old Colony R.R. Co. operated by the New York, New Haven and Hartford R.R.Co., dated June 30, 1915 to which plan reference is hereby made for a more particular description and to meet said appropriation, the treasurer with the approval of the Board of Selectmen, is authorized to issue notes in the amount of $109,500.00 in accordance with Massachusetts General Laws, Chapter 44 Section 7 and to transfer the sum of $3,000.00 from surplus revenue for expenses in connection therewith.
Article 7. Amendment defeated by a voice vote.
Article 7. Main motion voted unanimously.

Article 8. (Inserted by the Board of Selectmen at the request of C. Michael Bliss, Chairman of the Board of Health.)

To see if the Town will vote to appropriate from surplus revenue or other available funds or raise and appropriate by authorizing the Treasurer, with the approval of the Board of Selectmen, to issue bonds and notes a sum of money to cap the present sanitary landfill area, all as shown on plans consisting of 6 pages entitled "Landfill Site, Cohasset, Mass." by F.J. Flynn Engineering Corp. dated October 23, 1981 and revised November 1, 1981, a copy of said plan being on file in the Town Clerk's office, or act on anything relating thereto.
MOVED: That the Town raise and appropriate the sum of $240,000.00 for continued use and capping of the existing sanitary landfill area and site preparation, construction and use of an expansion landfill area, all as shown on plans consisting of six pages entitled "Landfill Site, Cohasset, Mass." by F.J. Flynn Engineering Corp. dated October 23, 1981, and revised November 1, 1981, a copy of said plan being on file in the Town Clerk's Office, and to meet said appropriation, the Treasurer, with the approval of the Board of Selectmen, is authorized to issue notes in accordance with Mass. General Laws. Ter. Ed. Chapter 44, Section 7.

Question of a Quorum.
Moderator called for a Head count.
There were 189 voters present at 10:55 P.M.

MOVED: That this meeting be recessed until February 15, 1982 at 7:30 P.M. at the High School Auditorium.

ATTEST:
Charles A. Marks
Town Clerk of Cohasset

Report of the Board of Registrars

Number of registered voters on January 1, 1981	4,886
Number of registered voters on January 1, 1982	4,461

Republicans	1,385
Democrats	1,168
Independents	2,308

Any resident not listed in the Census taken by the Board of Registrars during January and February should inform the Registrars oefore May 1st of each year.

Meetings for the registration of voters are held at stated times during the year. Notices of these meetings are posted in the Post Office of the Town and in many other public buildings.

Population of Cohasset for the year 1981 7,746

Respectfully submitted,
Clarence M. Grassie
Chairman

Board of Assessors

To the Board of Selectmen and the Citizens of Cohasset:

Mr. Thomas E. Mahony, our appraiser, submitted a complete list of valuation of all property in town in early October. The Assessors spent considerable time carefully reviewing the figures and made lists of suggested changes which were reviewed by Mr. Mahony.

A new printout was compiled at Arlington Trust and the figures were taken to the Department of Revenue on Jan. 29, 1982.

When tentative approval is granted by the Department of Revenue, letters then may be sent to each property owner with their new valuation, and hearings will then be held.

The Department of Revenue has said that it may take twelve weeks before final certification.

The total valuation has been set at:	$276,000,000.00	Real Estate
	7,700,000.00	Personal
	$283,700,000.00	Total

This figure is subject to changes by the State or by the hearings for tax payers who may object to their valuation.

Respectfully submitted,
Warren S. Pratt, *Chairman*
Michael C. Patrolia
Brian R. Wilkin
Board of Assessors

Report of the Collector of Taxes

July 1, 1980 to June 30, 1981

Building Survey Board

The following is a report of the Building Department for the year 1981:

Building Permits issued	357
Building Permits denied	11
Building Permits voided	2
Building Permit fees paid to Treasurer	$12,158.00
Estimated cost of all building permits issued	$2,901,656.00

A breakdown of building permits issued is on file in the Building Department Office.

Buildings inspected for Group Occupancy	37
Occupancy Inspection fees paid to Treasurer	$1,150.00
Plumbing permits issued	145
Plumbing fees paid to Treasurer	$2,548.00
Plumbing Inspectors paid for services	$2,110.00
Gas permits issued	109
Gas fees paid to Treasurer	$1,326.00
Gas Inspectors paid for services	$1,220.00
Fees collected for use of copy machine	$20.50
Total Fees Collected	$17,202.50

The State Building Code Commission was abolished by Section 272 of Chapter 351 of the Acts of 1981 effective June 26, 1981.

Executive Orders No. 202 and 203 dated September 25, 1981, by His Excellency, Governor King transferred the administration of the Code to the Department of Public Safety, Division of Inspections.

As of January 1, 1982, no staff has been formulated to properly administer and assist local Building Officials in the many questions that arise for proper enforcement of the Code.

Executive Order No. 210 dated December 7, 1981, amended Order 202 and extended from January 1, 1982 to July 1, 1982 for Construction Supervisors to file without testing to be licensed under Section 109.1.1 of the Commonwealth of Massachusetts State Building Code as a requried fee of $150.00 for three (3) years.

Respectfully submitted,
James A. Litchfield
Building Inspector

Report of the Personnel Committee

The Personnel Committee gathered information on job duties and responsibilities of all Town Employees through the use of a written questionnaire completed by all incumbents.

Respectfully submitted,

Clifford Mitman, *Chairman;* John H. Mullett; Robert J. Tis; Edward Lubitz, Jr.; Rita M. Strong

Cohasset Conservation Commission

The Cohasset Conservation Commission was very active during 1981 administering the Wetlands Protection Act, Chapter 131, Section 40. Many public hearings were held to examine data and to hear testimony from applicants and concerned citizens. There was one resignation during the year, John Bryant. We wish to thank John for contributing his time and effort over the past years.

We would also like to thank past chairman, Patricia Buckley, for her untiring effort in that capacity. Pat will continue to serve the commission.

Merle Brown, an engineer, and also very active in teaching land values through his scouting leadership, was welcomed as a new member.

Bob Maki was elected as new chairman. Bob is a registered professional Civil Engineer with the U.S. Army Corps of Engineers.

The Cohasset Conservation Commission would like to remind the citizens of Cohasset as well as outside builders and developers that preservation of our wetlands and thoughtful use of our remaining land is everyone's responsibility. We will continue to serve the Town to regulate the Wetlands Protection Act and to advise.

Respectfully submitted,

Robert Maki, *P.E. Chairman;* Patricia Buckley; Merle Brown; Janet Ditmar; John Hubbard; Peter O'Loughlin; Austin O'Toole

Report of the Cohasset Wire Department

I herewith submit the Annual Report of the Wire Department for the year 1981.

FIRE AND TRAFFIC SIGNALS

Three new fire boxes were added to the system in 1981. All boxes were painted and tested. Traffic lights were put in good working condition and also painted. Under Proposition 2½ the department was cut back some twenty-two percent (22%).

WIRE INSPECTION

All work done by electrical contractors was inspected by the Department and fees turned into the Town Treasurer.

TOWN BUILDINGS

All electrical work and repairs were done by the Wire Department in buildings owned by the Town.

I wish to thank the Board of Selectmen for their cooperation with the Department, and the men who worked with me.

Respectfully submitted,
Stephen F. Wigmore
Superintendent of Wire Department

Report of the Capital Budget Committee

Since the 1980 Cohasset Town Report the Capital Budget Committee (CBC) has worked with other town departments and boards to prepare information on capital items for the Annual Town Meeting on April 4, 1981, and the Special Town Meeting held on December 14, 1981. Because of the ceiling put on total spending in each year by Proposition 2½, the CBC has returned to the system of assigning priorities to capital items on a scale of 1 to 6. This practice supports the Advisory Committee in their deliberations while leaving with them alone the task of recommending a balanced program of annual operating costs and capital item costs that fit within the Proposition 2½ ceiling.

Another planning system the CBC continues is that of encouraging town departments and boards to project their specific capital needs for the following five-year period. These projections in total can be matched against the Town Accountant's bond replacement schedule to determine the capital program impact on total town spending.

In the past the CBC has reviewed any capital expenditure exceeding $5,000. At a regular meeting on January 26, 1981, the CBC voted to increase this minimum level to $10,000.

Report of the Cohasset Housing Authority

The sixty-four apartment community for the elderly and handicapped had three tenant changes in 1981. In total there have been twenty-eight tenant changes since the complex opened in January 1975.

Painting work was completed on the outside of the buildings and carpentry work was done on the walkways connecting the buildings.

Mrs. Kathleen M. Conte retired upon completion of the five year term to which she was elected and Mr. John D. Muncey was elected to fill the vacancy.

The Authority wishes to express its thanks to all of the Town organizations and individuals who have helped this community in many ways during the year.

Respectfuly submitted,

Yolanda Baccari, *Assistant Secretary;* Marquerite Libby, *Treasurer;* Lloyd W. Prescott, *Assistant Treasurer;* John D. Muncey, *Vice Chairman;* George W. Benedict, III, *Chairman*

Dog Officer

The following is the report of the Dog Officer for the year ending December 31, 1981.

I received a total of 833 phone calls, of those calls I received 233 complaints, 400 lost or found dogs and cats, 55 calls regarding dogs unlawfully on other owners property, 12 calls regarding live stock killings and 133 calls about obtaining information.

I impounded a total of 30 dogs at Shishonee Kennels in Marshfield. Five dogs however were never claimed by the owners.

As you know this year brought about some changes in the Dog Department. A telephone answering machine was purchased to allow better communication between the Dog Officer and the public. I started a transportation fee of $10.00 that was given approval by the Selectmen. This transportation fee is paid when the dog is impounded and claimed by the owner the fee is then returned to the Town. The owner is also responsible for kennel fees and the dog must be licensed.

This past year has been a busy but rewarding year. I am, however, disappointed in some 125 dog owners who have still to get their dogs licensed. In the upcoming year all dogs who are not licensed or properly displaying their license will be impounded.

I would like to thank the Selectmen in their continuing support that was much needed during the trouble times.

Respectfully submitted,
Richard Yocum
Dog Officer

Report of the Committee to Study Space Needs for Town Offices

The zoned hot water heating system voted under Article 23 at the 1981 Annual Meeting has been in operation at the Town Hall since last September. Every room in the building has its own separate control, and the system is now working from a single boiler which was installed some five years ago; the second old and wasteful boiler has been removed altogether and will not be replaced.

The stage area ventilating system which has been inoperative for many years, has been put back into working condition. An exhaust fan, required to vent the newly insulated attic, has been installed, and a register has been placed in the ceiling of the upper hallway. This system will draw hot air out of the building on hot days.

The plans for the sprinkler system and the plans for the various physical changes designed to make the building a more efficient and pleasant place for the town's business, are still intact. These may be rebid at such time as the Town may choose. The Committee still feels that this historic landmark can be improved, but that it can never be replaced. It certainly should be preserved; we recommend that the sprinkler system be installed as soon as practicable.

The Committee is pleased to report that it is returning some $4,000. of unused funds to the Town Treasury.

Recognizing that funds cannot be made available for further work at this time, the Committee respectfully asks that it be discharged.

Respectfully submitted,

Richard Avery; Daniel Campbell; Joseph Cotter; Clifford Dickson; Margaret Dillon; Theodore Patrolia; Warren Pratt; James Hooper, *Secretary;* Daniel Cotton, *Chairman*

Fire Department

To the Honorable Board of Selectmen:

I herewith submit the Annual Report of the Fire Department for the year ending December 31, 1981.

INVENTORY OF AUTOMOTIVE EQUIPMENT OF THE DEPARTMENT

Company	Type of Equipment	Stationed	Make	Year
Engine 3	1,250 GPM Pumping Engine	Headquarters	Duplex-Farrar	1980
Engine 4	1,000 GPM Pumping	Headquarters	Ford-Farrar	1973
Ladder 1	100 ft. Aerial Ladder	Headquarters	Seagrave	1978
Forest 1	500 GPM—400 gal. Pumper-Tanker	Headquarters	Dodge-Farrar	1955
A-28	Modular Ambulance	Headquarters	Ford-Modulance	1976
Chief's Car	Four-door Sedan	Headquarters	Dodge	1980
Engine 2	750 GPM Pumping Engine	Headquarters (Reserve)	Pirsch	1961
Engine 1	750 GPM Pumping Engine	Storage	Pirsch	1954
Forest 2	500 GPM—700 gal. Pumper-Tanker	Storage	Ford-Farrar	1953

Proposition 2½ mandated personnel cutbacks—as a result of these cutbacks it was necessary to restructure the operation of the department. This was done by closing Station 2, at North Cohasset, and operating all equipment from Headquarters. The available strength of the department is now two engines and one ladder, with the ambulance. Formerly it was three engines and one ladder, with the ambulance. This eliminates the back up engine that was in readiness to respond to a second alarm or second call.

PERSONNEL

The Table of Organization of the department calls for twenty-four officers and men, assigned in four groups of six men per group. Each of these groups should be under the supervision of an officer, either the Deputy Chief or a Captain. Presently the roster is short one Captain. A Civil Service examination for promotion to Captain was conducted on November 7, 1981, and should provide a candidate for this position in the near future. It is important that these groups be under the supervision and control of an officer, so that the necessary attention is paid to work details, training, records, fire prevention and many other important and necessary department functions.

EQUIPMENT

The equipment of the department is modern and of the latest design. It has been the policy to purchase the required tools and appliances as the need and availability develops.

Keeping this various items in working condition and in readiness is an on going function of the department. Testing and running of these tools is done on a regular weekly schedule.

The motorized equipment of the department is in good working order. The department presently has one diesel powered pumping engine and one diesel powered ladder truck. Future consideration should be given to purchasing additional diesel engines in new equipment or re-powering existing equipment with diesel engines. The saving in fuel economy is substantial without loss of horsepower.

STATIONS

The stations at North Cohasset and Beechwood no longer being of service to the department have been turned back to the custody of the Board of Selectmen. In previous years each annual report has mentioned the consolidation of facilities at a more centralized location. As funds become available in the future this concept should be followed.

FIRE PREVENTION

At the Town Meeting of 1980 the Town of Cohasset accepted the provisions of the General Laws requiring smoke detectors in residential buildings or structures other than those covered by the building code (new construction). Several of these multi-family units have been completed and additional units are in the design stage. However, there is still much to be done to reach 100% compliance.

Beginning January 1, 1982, a new state-wide smoke detector law becomes effective upon the sale or transfer of certain residential properties not previously covered. This requires smoke detectors be installed and in compliance witht the provisions of Section 26E, Chapter 148 M.G.L., and approved by the fire department, by the seller, upon the sale or transfer of the property. A Certificate of Compliance will be issued by the fire department after filing for same, payment of fee and inspection.

RETIREMENT

It should be noted that the department lost the services of a valued member, due to retirement.

Firefighter William L. Nickerson Appointed: May 12, 1958
Retired: April 30, 1981

Firefighter Nickerson served the department with honor and dedication.

CONCLUSION

I would like to thank the citizens of Cohasset for their support and cooperation. To the Honorable Board of Selectmen, other department heads and department members, and all committees and boards for their understanding, guidance and cooperation, my sincere thanks.

To all of the Officers and Men of the Fire Department for their dedication and performance of duties my sincere thanks and appreciation.

Respectfully submitted,
Charles Piepenbrink
Chief of Fire Department

Report of the Harbor Department

To the Board of Selectmen and the Citizens of the Town of Cohasset:

Submitted herewith is the Harbor Master's annual report.

The demand for moorings in the harbor are unrealistic, with over 250 on the waiting list. At the present time there is a four to five year wait.

The Harbor Study Committee has spent countless hours trying to come up with a fair solution for those waiting and have held public hearings for input pertaining to the problem.

In the past there have been several delinquent boat owners—not paying their mooring fees on the due date of June 1st. This will no longer be tolerated. The citizens will be

asked at Town Meeting for a favorable vote on an article to be entered to provide for vessels having a mooring to display a decal on the port quarter aft on that vessel. These decals will be issued only on paid mooring receipt. Vessels not showing a decal on June 1st will be ordered out of the harbor and their mooring tackle will be removed and their berth will be reassigned to someone on the waiting list.

It is still necessary to warn boat owners not to increase the size of their boats without going through proper procedure.

It was a banner year as far as vandalism and theft was concerned, since the loss of boats and equipment was practically nil compared to years past. I am grateful for the persons assigned to Night Patrol for a job well done. It is hoped that any person having damage or theft done to their vessel will report it to the Department immediately.

The mooring fees for fiscal 1982-1983 will be held at the same rate—$1.50 per running foot of vessel overall. It was the feeling of the Board of Selectmen that since the rates were raised last year, it would not be appropriate to raise them again this year. With the constraints of Proposition 2½, it is felt that they should be commended for their wisdom.

As the demands of a congested harbor and its facilities become greater, whether it be public or private, it is going to take the co-operation of everyone to adhere to the by-laws and mooring regulations for that harbor to be utilized to the fullest extent for the best interest of all concerned.

Respectfully submitted,
Harry H. Ritter
Harbormaster

Report of the Health Department

PERSONNEL
Kevin O'Brien,
Health Agent, Inspector of Animals

In February 1981, Lynne Buckley resigned from the Board and in the April annual election, Barbara Kern was elected to complete her term. Michael Bliss was elected for the three year term.

In 1981 the Board operated under its new Rules and Regulations for Disposal Works Construction and those pertaining to livestock. On balance, these regulations appear to be quite workable and acceptable to the Town. One of the major concerns of the Board and Town has been the situation of the Cedar Street Landfill. A recent history of the site would seem helpful:

1970 Burning at the dump ended; cover material now needed to bury refuse and garbage.

1972 Landfill must meet State requirements calling for approval by Department of Public Health of plans for proposed use.

1973-74 S.E.A. Engineering Consultant hired for $3500 for design of Sanitary Landfill. Town Meeting voted $25,000 to buy 23 acres of land to enlarge disposal area.

1974-76 Plans drawn up by S.E.A. and submitted to Dept. of Environmental Quality Engineering.

1977 Plans as submitted determined by State to be inadequate and were not approved. Since a portion of the Landfill was in wetlands and for numerous

other violations of State Law, the Town of Cohasset was ordered by D.E.Q.E. to cease lateral expansion of the landfill.

1977-80 Because of no direct pressure from the State, the Board of Health chose to delay further action.

1980 Town approved $10,900 for hydrological study by E. J. Flynn Inc. at Landfill site as required the D.E.Q.E.

1981 Hydrological study completed, demonstrating low levels of ground water contamination. Town voted $15,000 for engineering plans for continued use of landfill. Plans completed and approved by D.E.Q.E., December 1981. Estimated Cost to cap present area—$174,000, to expand site for 5-10 years, $64,000. Lack of quorum at December 14 Town Meeting postponed implementation of plans.

The dump is filling up fast, and if all citizens of the Town recycle bottles, newspapers, and aluminum, we may be able to survive this critical period, before the expanded landfill site becomes operational.

To aid in the recycling effort, the Board appointed a recycling committee of Arthur Lehr, Merle Brown, and John Hubbard. Two Youth Corps girls were hired during the summer, and in September Kenneth Thayer was employed as a parttime recycle monitor. While recycling effort has increased, much more could be done.

Unfortunately, because of the limitations of Proposition 2½, the Board has been forced to eliminate a number of services it once performed for the Town. The Well Baby Clinic and Rabies Clinic have been closed, and the contract with the South Shore Mental Health Association has been reduced.

The present Board of Health and its Agent have spent a great deal of time this past year attempting to straighten out the situation at the landfill. We wish to thank Mr. Harold Litchfield, Highway Surveyor, the members of the Disposal Area Study Committee, and the Recycling Committee for their help.

Respectfully submitted,

C. Michael Bliss, *M.D.;* Barbara Kern, *Secretary;* Marilyn Sweeney, *Member*

Report of the Social Service League Board of Health Nursing Services 1981

The Social Service League under contract with the Board of Health provides the public health nursing services to the town. These services include family health, disease control and health promotion.

The Keep Well Clinics are held on a regular monthly schedule and are well attended. In addition most months a specialty clinic is held for health screening purposes of immunizations. These clinics vary in attendance.

The TB testing has decreased greatly this year because of the changes in public health regulations related to re-testing of school personnel.

No Well Child conferences were held in 1981 because of a continued lack of interest on the part of the residents.

We will continue to work cooperatively with Mr. O'Brien and the Board of Health.

Our thanks to the volunteers of the Social Service League for their many hours of service over the year.

	Sessions	Visits/Tests

Susan LaTorraca, R.N.

Report of the Tree and Park Department

Enclosed you will find a report from the Tree and Park Superintendent and Insect Pest Control Coordinator:

The Tree and Park Department this year had severe snow and wind damage to a lot of trees, and the Gypsy Moth problem took a lot of money to combat by spraying.

At the Special Town Meeting, the voters approved $50,000. for aerial spraying for gypsy moths.

I would like to thank the men of the department and of other departments for their cooperation through the 1981 year.

Respectfully submitted,
Peter G. Laugelle
Tree and Park Superintendent
and Insect Pest Control Coordinator

Report on Council on the Aging

Open meetings of the Council are held every second Tuesday of the month at 10 a.m. at the Parish House of the First Parish Church. The nine volunteer member board meet to discuss plans for the welfare of a very important segment of the Town's population—the elderly.

The following programs and activities are made possible through the efforts of the Council, the Social Service League, and over one hundred dedicated volunteers.

NUTRITION: The Meals on Wheels program, serving approximately 5,000 meals per year, is supervised by volunteers from the Social Service League. Meals are delivered six days a week to the homes of the elderly who need assistance. Special diets are arranged when necessary. There is a nominal fee of $1.55 per meal, but financial aid is available. The actual cost of the meal, prepared by the Red Lion Inn is $2.00. The Council pays the difference.

In addition, lunches prepared at the High School are served every Tuesday during the school year at the Parish House at 12:30 p.m. Over 900 meals were served by volunteers from St. Anthony's, St. Stephen's, Second Congregational and First Parish Church. Those interested should call 383-1100 by Monday noon. Lunch is $1.40.

TRANSPORTATION: The Senior Shuttle Bus makes approximately 100 trips each week to the shopping plazas, medical offices, and various functions. Additional drivers are needed on Sundays for the church trips.

For information on the bus schedule, consult the Vista or call 383-0821.

INFORMATION: A Council newsletter, sponsored monthly, the *Vista,* is mailed to 325 homes each month. To receive this news of upcoming social, educational, and recreational activities, call 383-1100 weekday mornings.

RECREATION: Two bus trips a year are sponsored by the Council. The Council works closely with the 60+ Club and its 200 members. The 60+ Club meets on the third Thursday of each month at the Parish House.

Along with ten other South Shore communities, Cohasset is a participant in the South Shore Home Care Services Corporation, 430 South Main Street, Cohasset. This Area Agency on Aging is under the aegis of the Department of Elder Affairs of Massachusetts and is concerned with all aspects of care for the elderly. This year the Social Service League was the recipient of another grant from this organization.

Report of the Town Historic Commission

LIGHT HOUSE KEEPERS OFFICE

The Light House Keepers Office on Government Island has been restored to good condition on the exterior of the building. The window sashes have been replaced and the casements covered with wire mesh. The front door and casement have been replaced in keeping with the original architecture. All of the damaged clapboards and corner boards have been renewed. The members of the Historic Commission with the help of Robert W. James spent a goodly number of hours painting the exterior of the structure.

CAPTAINS WALK

We are progressing nicely with the Captains Walk with the good help of Pat Murphy and Burk Ketcham. It will start at Government Island and end by the Yacht Club. There will be a number of markers identifying points of interest coordinated with a master map. We are hoping this short walk will give greater appreciation of the rich heritage of Cohasset Harbor.

HISTORIC MARKERS

We have carved, under the direction of Herbert Marsh, a number of signs identifying points of interest in the town and we hope to put them up this spring. We did replace the "Country Way To Boston" sign, however as a "sign of the times" it was stolen after three weeks of installation.

COMMENT

The primary purpose of the Cohasset Historic Commission is to help preserve the character and flavor of the Town. We welcome concerned citizens to our meetings and encourage public participation. We meet the second Monday of each month. We are particularly interested in worthwhile new projects concerned with restoration, identification and preservation.

Respectfully submitted,

Betty Enders, *Secretary;* Herbert Marsh; Grace Tuckerman; Mary Fleming; Roger Leonard; David Wadsworth; Noel Ripley, *Chairman*

Report of the Sealer of Weights and Measures

The various weighing and measuring devices in the Town of Cohasset have been carefully tested; one hundred and thirty-three were sealed.

Items in stores were checked for unit pricing. Random packages were reweighed for correct weight and price.

I would like to remind the citizens of Cohasset that firewood must be sold by the cubic foot or cubic meter. The seller must issue a sales slip at the time of delivery, stating date, number of cubic feet of wood delivered, and price according to Massachusetts Law Chapter 235, Section 298 and 299.

Any problems of short weight or measures, please report to Sealer of Weights and Measures.

Respectfuly submitted,
Lot E. Bates, *Sealer*

Highway Department

The following is a brief summary of work performed by the Highway Department:

During the months of January thru March, in addition to keeping the streets clear of snow and ice, we used this time to repair fences, clean catch basins and repair and replace signs where needed. In the Spring, as soon as weather permitted, all roads were swept several times. Two damaged culverts on Jerusalem Road were completely repaired.

All catch basins on sections of Sohier Street, No. Main Street, Elm Street and Brook Street were raised prior to resurfacing with Type I bituminous concrete. Approximately 1,100 tons of asphalt was used for this project. This work was financed by funds raised through passage of Article #18 at last year's annual town meeting.

Four new catch basins were installed on Atlantic Avenue and several others throughout the town were rebuilt.

With the installation of 1,265 feet of sidewalk on Sohier Street, we completed the major reconstruction project began last year.

Approximately one mile of roadway, including sections of Atlantic Avenue, Jerusalem Road, and smaller areas of other various streets were resurfaced with mix-in-place. Due to the cut in the budget, there was no surface treatments done this year.

The disposal area has presented unique problems for the town this past year. At the time of this writing, the problems are far from being solved. The outcome depends on the wishes of the Town to be expressed at the February 22nd special town meeting. After this meeting, we will know whether or not the Disposal Area will remain open.

My thanks to the men of my department and the other town departments for their cooperation during this past year.

Respectfully submitted,
Harold W. Litchfield
Highway Surveyor

Report of the Trustees of the Paul Pratt Memorial Library

For our town's public library, 1981 was a year of adjusting to stringent budgetary constraints and to fiscal realities that are somewhat at variance with the Trustees' and staff's desires in serving the public. The Library did, however, work conscientiously to conform with Town guidelines through an over-all budget reduction, before cost of living wage increases, of 11%. Beginning in July, the Library was closed on Wednesday, formerly a twelve hour day, and Saturdays were shortened by one hour. These are departures from our goal of having a library open every day to provide good public service.

With the coincident retirement of Evelyn Wood, after long and excellent service, the permanent full-time staff was reduced from three to two at the beginning of the fiscal year. Other cuts were made in the hours worked by the part-time custodian and pages. These cuts reduced our ability to keep up with internal routines as well as our ability to respond to public requests for services.

Another significant reduction that may have long-range effects is in the book budget. This item was reduced 17% in dollars and when added to the 14½% increase in the cost of books means that about 30% fewer books could be purchased in Fiscal 1982.

With a level budget being planned for Fiscal 1983, this means another 15% cut in book purchases due to inflation, for a total book purchase reduction of 45% over the two years since Fiscal 1981—a substantial reduction of service to the townspeople!

In the Summer, the Library joined other Town Departments in having its employees compile an extensive job questionnaire designed by the Personnel Committee. Each job was carefully analyzed and the resulting responses gave new insights to the Chief Librarian concerning the content of each job and the allocations of Library functions.

During the year, the Trustees updated the schedule of fees related to its various services. This will result in some fee increases and will be more fair to most Library users. The new schedule will also bring new revenue to the Town.

A new version of Library rules was also approved this year. They are more clearly written and are more reflective of today's conditions and behavior.

The insulation project was completed this fall and should result in substantial heating cost savings beginning with this current season. These savings, however, may be balanced by increases in fuel prices.

In 1981, Emily Gleason, a Trustee for 49 years, died. Typically, she remembered her beloved town with a $1,000 bequest to the Library. This fund will be used in future years as she would have wished.

Sheila Evans ended her chairmanship of the Trustees in 1981 and continues on the board. As chairman she displayed strong leadership in all Library matters and played a key role in the recent expansion of the Library plant.

Our Library continues to display its excellence in the South Shore area in three important ways: the effectiveness of Richard Hayes' administration as Chief Librarian, and secondly, the great contribution of hours of service, money and gifts that come so generously from the Friends of the Cohasset Library. A key gift this year consisted of replacement of four items of well-used audio-visual equipment. A third factor in our excellence is the interest, dedication and diligence shown by the staff in the face of dwindling resources and ever-expanding responsibilities.

Our town library is a fine resource for enhancing the culture level and leisure time of our citizens and, it is hoped, will be able to continue as a focal point of pro-active learning, artistic and literary activities and expectations in Cohasset.

Respectfully submitted,
David Chittim
Chairman, Library Trustees

Report of the Librarian

Development & Use of the Collections, FY 81 (July 80-June 81)

	Purchased	Gifts	With-drawn	Total Holdings	Loans for Home Use
Adult nonfiction	1,485	197	1,807	26,022	27,337
Adult fiction	761	94	1,304	9,303	32,456
Children's books	1,177	29	1,312	12,424	26,469
Periodical subscriptions	164	32		196	11,386
Audiovisual materials—Adult	20	1	94	1,252	1,469
Audiovisual materials—Children	95		11	484	1,011

Audiovisual equipment	13	60
Framed pictures	23	43
Museum memberships	6	552
Films (16mm) from the Regional Library System		63
TOTAL LOANS OF MATERIALS		100,846

Loans are equal to 14 per capita, more than double the state average public library loan rate of 6 per capita. In-library use of materials and staff assistance is estimated to equal the loan rate of about 100,000 a year.

Average price of a hardcover book in 1980 was $22.48. If we assume the average value of items in the Library is $10, the *value* of library materials borrowed from and used in the Library is two million dollars, or $280 per capita. By way of contrast, the *cost* of the Library's total services in FY 81, excluding trust fund income, state aid, and revenue collected by the Library, was about $18.00 per capita.

The Library's book budget, including trust funds and gifts, is about $4.50 per capita. The cost of new materials averages out to a cost *per loan* of 20¢ for fiction, 76¢ for nonfiction, and 25¢ for children's books. If in-library use is added, the cost per use is about 10¢, 38¢, and 12¢.

The statistics in the chart above are for the fiscal year ending June, 1981. In past years, we have reported data through December. The fiscal year data will correspond to the budget reported in the Town Accountant's report in this Annual Report.

Beginning in July, 1981, open hours and book budget were reduced. Loans during the six months July–December 1981 are down four percent from the same period last year.

Reserve requests and interlibrary loan. In 1981 (Jan–Dec), the Library filled over 3,600 written requests for materials that were not immediately available. This figure includes items borrowed from other libraries. Of 509 interlibrary loan requests, 400 (79%) were filled by Quincy (133), Hingham (115), Boston (67), and other libraries (85). Five deposit collections (129 volumes) of Large Print books were supplied by Quincy (4) and Weymouth (1).

New borrowers. Registration of new borrowers continues to range from six to eight percent of the Town's population each year, which must be close to the residency turnover rate. New borrowers, 1980: 431 adults, 161 children. New borrowers, 1981: 373 adults, 101 children. An analysis of the registrations a few years ago showed that 70% of the residents are registered.

Children's services. Under the leadership of children's librarians JoAnn Mitchell and Marilyn Pope, the following services were performed:

—Selection and cataloging of the collections, and assistance to children, parents and teachers in their use.

—46 pre-school story hours, with total attendance of 519. Eleven volunteer story-tellers and seven volunteer aides gave 122 hours for these programs.

—5 evening family story hours, with average attendance of 31.

—Four film programs at the Library, average attendance 31, and 12 film programs in the schools, average attendance 215.

—104 story hours for 150 classes in the schools.

—43 school classroom deposits, totalling 301 books.

—Summer Reading Incentive Program, with 105 participants, 67 of whom read at least 20 books each.

—School class visits, including all 6th grade classes, to the Library for orientation and instruction.

—Participation in the school's federal grant advisory committee, and in the Artist in Residence Committee.
—Selection of materials for the Osgood School Library.
—Reserved collections for school assignments.
—Recruited and trained 38 Junior Volunteers, who do all Children's Room shelving, help with posters and story hours, clean tables and bookshelves, water plants.
—Recruited and trained volunteer story-tellers.

Volunteers, Jan—Dec 1981	**Hours**
Office & loan desk	2,544
49 nursing home visits (loaned 830 items)	196
Friends' Board activities (10 hours/month)	120
Story-tellers & aides	122
Junior Volunteers (Children's Room)	610

Approximate total volunteer hours, 3,592, averages 69 hours a week, equal to two full-time employees, or to 26% of paid staff. We conservatively estimate the value of this help at $17,000 a year.

The Regional Library System. This state-funded program, in which Cohasset is an active member, is based on local city and town libraries. We continue to seek ways to improve cooperation among libraries for the most efficient use of resources. Major concerns this year have been the development of automated library techniques, which open up new opportunities for cooperation, and how to deal with drastic cutbacks in local support for member libraries. Libraries which receive modest funding from the legislature to provide regional services include Quincy and Boston, both of which have suffered large cuts in local funds. State funds have not been increased to make up this shortfall. Our cooperative system is built on existing strengths. We must find a way to maintain strong libraries, and to preserve and expand our cooperation.

The Friends of the Cohasset Library. A membership drive in May gained 60 new Friends, for a record total of 263 members. All citizens are invited to join, for a contribution of $2, $5, $10, $50 or more. Membership forms are available at the Library.

Mrs. Joseph Gwinn, completing her two-year term as President in June, said, "Although our approach may be flexible and pragmatic (we keep trying new things), our goals remain fixed—to seek the best use of the dollars of the Friends organization in support of the Paul Pratt Memorial Library."

Friends' gifts to the Library in 1981 included audiovisual equipment for loan ($508); memberships giving Cohasset families free access to the New England Aquarium, Children's Museum, Museum of Science, Museum of Fine Arts, and Museum of Transportation ($1,195); Library tee-shirts awarded to Junior Volunteers ($170); atlas and globe for the Children's Room in memory of former Board member Mrs. Robert J. Knox.

Other gifts. The Library welcomes gifts of current magazines; about 16% of our collection is given on a weekly or monthly current basis by library friends. The Library welcomes gifts of used books in clean condition, especially current popular books. In fiscal 1981, the Library kept 320 such gifts and passed hundreds more on to the Friends' book sales which raised almost $1,000 to improve Library services. We suggest gifts of $20 or more to the Friends' memorial book fund, for the purchase of new, fine books in memory of someone. These gifts to the memorial book fund were made in 1981: League of Women Voters of Cohasset, in memory of Emily Gleason; Stuart Ferency, in memory of Mr. and Mrs. Edward Gammons; Mrs. Prescott T. Cumner, in memory of Bartlett Tyler; Parker Schofield, in memory of Emily Gleason; Parker &

Nancy Schofield, in memory of Prescott T. Cumner; Amateur Gardeners of Cohasset, in memory of Gunhild F. Gammons; Democratic Town Committee, in memory of Margaret F. Cadose.

Staff as of January 1, 1981. Fulltime: Richard E. Hayes, *Chief Librarian;* Ssuan M. Watrous, *Librarian.* Parttime: JoAnn Mitchell, Marilyn T. Pope, *Librarians;* Susan M. Pope, *Paraprofessional;* Barbara C. Burnham, Nancy Knight, Lucile Roycroft, *Clerks;* Robert Pattison, *Custodian;* Jacquelyn Fahey, Karen Hobbs, Gerald McNabb, *Pages.* This staff totals 269 hours a week, 7.7 full-time equivalency, compared to 305 hours (8.7 FTE) last year, and maintains services on two floors of space, during 53 open hours a week, including two evenings, Saturdays and Sundays.

Respectfully submitted,
Richard E. Hayes
Chief Librarian

Report of the Board of Water Commissioners

Cohasset's continued growth is reflected in the 6.1%, 14,000,000 gallon increase in consumption over 1980.

The Department has applied for funding in accordance with two State Grant Programs. The Chapter 805, Leak Detection and Rehabilitation Programs, which upon approval will facilitate improvements on portions of the system that are older and prone to problem.

We would like to thank people for their cooperation during the inconvenience caused by the January freeze-ups, especially the Elm Street area residents.

During 1981, the department repaired 21 breaks in the distribution system, installed 10 new services and replaced 5 existing services. Three hydrants were replaced as result of damage from motor vehicle accidents.

The Board of Commissioners would like to extend best wishes to retired plant operator George Herzog and to Harry "Dan" Blair, our foreman who retired December 31 after 27½ years service. His knowledge and expertise will be sorely missed.

The Board, at this time, would like to extend their thanks to all other Town Officials, Departments and Committees for their cooperation and support. We especially wish to acknowledge all Water Department personnel for their dedication and loyal support, under the direction of longtime department associate and newly appointed Superintendent, Benjamin F. Curley.

Respectfully submitted,
Lot E. Bates, *Chairman;* William J. Montuori; Robert W. Jackson

Annual Report of Cohasset Planning Board

Planning Boards in the Commonwealth have several broad objectives: to encourage the best possible use of the land in the municipality through its zoning laws, to plan for its resources and needs, and to facilitate the adequate provision of municipal services, such as streets, drainage, open space and other facilities. The Boards' authority comes from two state statutes, Ch. 40A, as amended, Ch. 41 and local zoning laws.

In 1980 the Planning board obtained funds for a major planning tool, a town map. The 1980 Town Meeting appropriated $64,787.00 to fund the project. In April 1981 the Town was flown and in early 1982 the Town will have a topographical map, a flood plain and water shed protection map, a zoning map and a street map. The maps will be available to appropriate town boards and will also be available to citizens, developers and others for a fee. The maps will remain the responsibility of the Planning Board.

A second planning tool was completed in 1981, when the Town adopted a Residential Cluster Development District by-law. It is an option available for the subdivision of land for residential dwellings, both single family and multi-family, on reduced individual lot sizes with adjacent common open space. The objective of the by-law is to provide needed housing while at the same time preserving open space for the benefit and enjoyment of residents. It is an attempt to preserve as much as is possible the natural features of the Town.

In order to carry out its mandate to provide services to the Town, the Board makes every effort to cooperate and communicate with boards and departments which are responsible for Town services, i.e., the water department, sewer commission, conservation commission, board of health, highway surveyor, police and fire departments.

At the special town meeting in December 1981, the Board supported acquisition of the Penn Central right of way. The Board felt that this was a unique opportunity to buy, in one parcel, land running through the Town from Hingham to Scituate. This land can be used for a variety of purposes—utility lines, recreational paths and a possible emergency route through Town.

There are two proposed cluster developments under consideration, one for thirty-nine dwellings and the second for twenty-one dwellings plus amenities such as tennis courts, putting green, swimming pool, garden, ponds, walking paths and the preservation of wooded areas. These clusters are designed primarily for the so-called "empty nesters," a type of housing not available in Cohasset.

1981 also brought changes of board membership: John Bradley retired after giving four years of invaluable service to the Town and Daniel Cotton was elected to the Board.

The Board's other activities included:

Development approved:

No subdivisions creating new lots

14 Form A's (sub-divisions with street frontage not requiring approval of Planning board) creating 36 new lots

2 site plan approvals in business districts

Permit fees from developers collected:

For sub-division and site plan fees—$1,837.00

Adopted a revised fee schedule

Rules and regulations were adopted governing construction standards for common driveways serving three or more houses.

Respectfully submitted,

Barbara M. Power, *Chairman;* John O'Toole, *Vice Chairman;* Patrick Plante, *Secretary;* Daniel Cotton; Patricia G. Facey

Recreation Director's Annual Report—1981

It is with distinct pleasure that the Report of the Recreation Department is submitted to the Citizens of Cohasset.

During the Fiscal Year 1981, July 1, 1980 thru June 30, 1981, 8,609 residents participated in various Recreation Department programs, activities, and special events. This is an increase of 1,666 people from last year representing a 13.5% increase in the level of participation. A wider spectrum of programs and activities for all age levels remains the essential factor in the increased participation.

Most programs require a minimal registration fee ranging from $5.00 to $20.00, depending on the specific program, its content and duration. 50% fee discounts are allowed for most children's programs where more than one sibling from a given family registers at the same time, hence, retaining affordability for larger families.

Collected registration fees are receipted and turned over to the Town Treasurer's office for deposit in the Town's General Fund. Monies collected may not be used by the Recreation Department, rather, they are applied to the tax rate during the next Fiscal Year, helping to offset the tax rate as it is applied. During Fiscal Year 1981, the Recreation Department collected $8,034.00 via program registration fees. An additional $2,106.00 was transacted through the Revolving Account Fund, a special account established to conduct specifically designed programs on a 100% self-supporting basis. State mandated restrictions on the Revolving Account Fund preclude general use of the fund for most programs and activities.

Monies collected during Fiscal 1981, $8,034.00, represent a reimbursement of 23.6% to the present, Fiscal Year 1982, budget allocation of $34,051.00 total monies. Excluding the Director's salary fee collection reimburses the total expenditures at the rate of 50.6%.

Each year more and more volunteers, of all ages, step forward to assist with various programs and activities. We extend our most sincere thanks and gratitude to these volunteers for the donation of their efforts and time. Many programs could not be conducted if it were not for the fine performance of volunteers.

Volunteer hours are plentiful. If each volunteer were paid at the rate of only $4.00 per hour, the Recreation Department salary budget for programs would have to be more than doubled. We all owe thanks to the men, women, girls and boys who have donated their time and help.

Many thanks should go to various Town Departments, Boards, and Committees for their continued interest and help in our programs and activities. Special thanks to the School Committee, administration, and staff for the use of their facilities and their willingness, at all levels, to provide space and support for many programs.

Also, gratitude should be recognized for the Recreation Commission members for their continued donation of time, work, and direction. Current members are Richard P. Barrow, Chairman; Nancy E. Sladen, Vice Chairman; Alna L. Ekberg, Secretary; Gerard A. Buckley, James L. Gallagher, Eugene K. Price, and Hamilton T. Tewksbury, Members.

Respectfully submitted,
John M. Worley, *Director*
Cohasset Recreation Department

Police Department

Cohasset Board of Selectmen:

Reference your letter dated December 28, 1981, I hereby submit the Annual Report of the Cohasset Police Department. This report includes activities and statistical data from January 1, 1981 through December 31, 1981.

It is with some measure of satisfaction that I direct your attention to the reduction of Burglaries recorded during this period, and it is my hope that we will be able to re-institute the Crime Prevention Program within the next few weeks.

Respectfully,
John DeBassio, *Chief*
Cohasset Police Department

Annual Report Design Review Board 1981

The Design Review Board studied and made suggestions to the Planning Board on the Cluster Zoning By-Law before presentation to Town Meeting.

The Design Review Board assisted the Planning Board in reviewing two cluster development plans during the year.

Respectfully submitted,

Elizabeth S. Hoopes, *Chairman;* A. Patrick McCarthy, *Vice Chairman;* Margaret M. Benson, *Secretary;* Jane F. McLean; Roger Porter; Richard C. Tousley; Roger S. Whitley; James Litchfield, *ex-officio*

Sewer Commission

The year of 1981 has been a busy one for the Sewer Commission. The State and the EPA approval of the Grant Application for monies to design the proposed plant did not occur as expected. Instead, the State required certain procedures planned originally for the design stage to be done prior to grant approval. These were the field studies for the ocean outfall and the analysis of those studies. The first requirement has been completed, while the latter one is nearing completion.

Recent amendments to the federal regulations deleted monies for the design stage (Step II grants) of new wastewater treatment projects. Such monies would not be released until a project entered the construction stage (Step III). To replace the federal design monies, the Massachusetts Department of Environmental Quality Engineering is awaiting action by the State Legislature for approval of a no-interest loan program for communities on the wastewater treatment projects list. If the Legislature acts positively on the program, Cohasset's Step II Grant Application will be approved.

The Commission formulated a policy under which to operate in regard to the sewer ban. Owners of single family houses presently connected to the municipal sewer may increase the number of bedrooms and bathrooms without permission from the Board. Owners of single family houses converting to multi-family, owners of multi-family houses, and business owners planning a change of use for a building, must seek permission for sewer modification from the Commission. In such cases a Special Permit issued by the State to the Town may be required. The Board retains the right of decision to apply for the State permit. Further, the Board may require certain conditions in regard to type and amount of flow to be placed on the local permit. During the year the State has approved one change of use to an existing business hook-up and one extension of an existing sewer line. State regulations have required the Commission to hire a laborer for ninety working days in addition to our two full-time operators.

The Board appreciates the cooperation given by other Town boards and departments, as well as that of the Sewer Department personnel.

Joseph M. Gwinn, *Chairman;* Gerard J. Stanton; Janet M. Daggett; *Board of Sewer Commissioners*

Report of the Superintendent

Massachusetts public education has gone through a traumatic year and it is far too early to assess the real effects of the economic reductions of Chapter 580 and the resulting changes on the schools throughout the Commonwealth. The impact has varied so between the towns and cities, that state-wide equality of educational opportunity for all young people has been seriously eroded. Unfortunately, more than ever before the quality of a youngster's education depends upon where he lives. This report in itself is an example of this austerity for all of the departments are attempting to economize by limiting their messages to the highlights of the past year. My statements, therefore, must be general as well as brief, and the reader is asked to contact my office if he wishes to receive the additional details usually included in this report.

Fiscal Year 1982 (school year 1980-1981), mandated a $180,000 reduction in our operating budget to conform to Proposition 2½. This adjustment was accomplished by eliminating 31½ full and part-time positions and restructuring our transportation to operate more economically, while placing the cafeteria program on a self-sustaining basis. Some educational programs were reduced, eliminated, or modified. However, these programs were carefully chosen in order not to damage the integrity of our academic standards.

This Fall, the Junior/Senior High School staff, under the direction of Principal Richard Streeter, completed its self-evaluation study for our school's ten-year accreditation. On October 18 through 21, a team of 22 educators, representing the New England Association of Secondary Schools and Colleges, arrived in Cohasset to assess the quality of our educational program as measured against the school's philosophy and objectives. The Visiting Committee was chaired by Mr. Frank Daly of the Nauset Regional School System and his report has just been received by my administration and will be presented to the School Committee on February 1, 1982. Actual accreditation notification is not expected until March 1982 after the regular spring meeting of the Association. All involved in the process are optimistically expecting accreditation renewal. The one-year self-evaluation phase was an indepth comprehensive study of all facets of the school's educational process and was ably completed by our Junior/Senior High School staff. The School Committee and I would like to publicly take this opportunity to extend our gratitude for their time and dedication to this important responsibility.

Our students continue to excel in many fields of endeavor and we are justifiably proud of their record of achievement. This year four students have become National Merit Scholars, with an additional eight students earning honorable mention status in this national academic competition. For a small school of 1400 students, this is a noteworthy accomplishment. A new American Field Service Chapter was formed through the efforts of parents and school personnel and we are very fortunate in having two young ladies studying with us from Sweden and Japan. Several of our own A.F.S. students will soon be studying abroad, including the senior student representative to the School Committee who will be leaving to study in Uruguay on the first of February. This organization brings an international flavor to Cohasset as well as an academic challenge to all involved and is a fine addition to the rewarding and welcome METCO Program which continues to successfully function at all grade levels.

Not to be thwarted by Proposition 2½, our administration and staff have been able to introduce and strengthen computer literacy and operational programs for all grade levels, and through the efforts of a great many staff members grants and local monies were obtained with which we were able to purchase additional micro computer equipment and learning software. The goal of making it possible for all students to be com-

puter literate upon graduation is now a reality.

Although cutbacks were made in the arts, one of last year's seniors, Mr. James Yeomans, was one of 25 young musicians chosen for the All-Eastern Music Festival, and our award winning jazz ensemble continued its winning ways by placing 1st, 2nd, and 3rd in the Heritage Music Festival jazz competition at Worcester, the Eastern Massachusetts University jazz competition and in the southeast District Jazz Festival.

In our Special Services Department, under the able leadership of Director Stephen Hart, one of our special classes has been chosen by the State and Federal Departments of Education as a national demonstration site. The program is serving moderate to severely handicapped children and has become a model for national recognition.

At the Deer Hill and Osgood Schools, parents, teachers and administrators have joined forces to bring a Poet-in-Residence Program to the children of grades K–6. A grant from the Artists' Foundation of Boston brought two poets to the community to stimulate and focus interest in this art form, teaching students the importance of poetry as a concise and beautiful means of communication.

At all grade levels our curriculums continue to emphasize improved achievement in reading and writing, a new spelling series is adding continuity to this phase of language arts, while additional emphasis is being placed upon arithmetic fundamentals as well as the skills of listening and speaking.

Many of our system-wide athletic programs, both of an intramural and varsity nature were threatened with elimination due to budget reductions, but through the efforts of parents, students and staff members, a major fund raising activity was held which has allowed us to continue the same level of athletic competition that has been so much a part of our program. As an example, our hockey team is enjoying a fine season to date with an undefeated record of 10-0-1, placing them in second place in Division II competition.

In closing I wish to thank all administrators and staff members for their dedication and professionalism. I am even more convinced than I was when I first arrived in your community that your success as a school system is directly related to a caring staff which in a highly professional manner cooperates with an aware and concerned group of parents and citizens. I extend my sincere thanks to the School Committee and to all of our staff members who continue to hold young people and their well being as a top priority.

Respectfully submitted,
Eugene C. Crowell

South Shore Vocational School Committee

1981 was a busy year for all of us at South Shore Vocational Technical High School. Many changes have taken place which provide new opportunities for the participation of Cohasset residents.

The committee has charted an exciting and bold new course. We have hired a talented new superintendent-director. Dr. Clifford Easton is an experienced, able and innovative educational leader. All students at Vo-Tech are thoroughly schooled in the academic basics. An average of 11% of the graduates go on to college. Under Dr. Easton, we are even further up-grading our academic offerings. We also have increased the size, scope and availability of our continuing education courses. These create revenue to help reduce our assessment and provide valuable community service programs.

1981 saw only ONE (1) new Cohasset student enrolled at Vo-Tech, and this year to date there are No applicants. This is a sad commentary considering that approximately 20% of Cohasset students will not go on to higher education and will not be prepared to enter the working world.

New budget projections provide for the inclusion of Whitman-Hanson, the leasing of a new school facility, and the addition of seven new programs, but overall reflect a near zero percent increase.

Cohassets' assessment is down 28%. I ask your support of our articles in the Warrant, and will gladly answer any questions.

On behalf of all of us. I wish to thank Sumner Smith for his 21 years of dedicated service to the students of Cohasset. I'm very pleased to continue his efforts toward providing an outstanding technical education for those who wish to avail themselves of the opportunity.

Respectfully submitted,
Richard Silvia
